THE ELECTRO CHEMICAL BATH, DIRECT & TO-&-FRO ELECTRO MAGNETIC MACHINE

JAMES HARRIS, ELECTRICIAN, of Towarda, respect-fully informs the public that he has lately procured from New York the celebrated Electro-Chemical Bath, which has proven to be one of the most important and wonderful discoveries of the age, from its ability to extract minerals from the human system.

Some eight years ago, a physician of Cincinnati disco-vered the process of extracting minerals from the holy.

vered the process of extracting minerals from the body by galvanism; more recently, M. Verges, of New York an electro-gilder, having suffered from the introduction of an electro-gilder, having suffered from the introduction of poisonous minerals into his system in the prosecution of his art, conceived the idea of removing them by the same processes, he succeeded in doing so, and quickly recovered. He then applied the same means to others similarly affected, with like results. His success exceeded his most sanguine expectations, for not only did these Baths remove mineral poisons, but cured many diseases, some of which were the result of minerals, and some were not.

More recent experiments have fully confirmed the singular power of this Bath to draw from the system for health. Very often persons are afflicted by diseases which are beyond the comprehension of the most skilful physicians, and which are the effect of poisonous minerals accumulating in the system for years, taken in the

The following are some of the diseases cured by these baths: Rheumatism, Paralysis, Palsy, Painter's Cholic, Chronic Ulcers, Glandular Swellings, Scrofula, Cancer, Neuralia in all its forms, Salt Rheum and Humors of all binds.

is a great improvement on the Magnetic machines hereto-fore in use. With the aid of the Bath and Machine, we have at command all the available medical efficiency of Electricity. The medical power of the Machine is very great, in introducing medicines into the system through the pores of the skin—applying it directly to the parts af-fected, which gives an increase of medicinal power over

feeted, which gives an increase of medicinal power over that of taking it into the stomach, rendering it particularly efficacious in all local diseases.

I am now prepared to apply these Baths, and also the Machines, at my house in the south part of the borough of Towanda, or I will visit patients at a distance, who are unable by reason of disease to come to this place, at moderate prices.

they may have originated, and no hatter to have standing.

If you have contracted the terrible disease, which when once seated in the system, will surely go down from one generation to another, undermining the constitution, and sapping the very vital fluids of life, do not trust yourself in the hands of Quacks, who start up every day in a city like this, and fill the papers with glaring falsehoods too well calculated to deceive the young and those not acquainted with their tricks. You cannot be too careful in the selection of a remedy in these cases.

The fluid extract Buchu has been pronounced by emisent Physicians

THE GREATEST REMEDY EVER KNOWN.

It is a medicine perfectly pleasant in its taste, and very innocent in its action, and yet so thorough that it annihilates every particle of the rank and poisonous virus of this disease; and, unlike other remedies, it does not dry up the disease in the blood.

Constitutional Debility, brought on by self-abuse, a most terrible disease, which has brought thousands of the hu man race to untimely graves, thus blasting the brilliant hopes of parents, and blighting in the bud the glorious ambition of many a noble youth, can be cured by this INFALLIBLE REMEDY.

For purifying the Blood, removing all diseases arising from excess of Mercury, exposure and imprudence in life, chronic constitutional disease, arising from an impure state of the blood, and the only reliable and effectual remedy known for the cure of Scrofula, Salt Rheum, Scald Head, Ulcerations of the Throat and Legs, Pains and Swellings of the Bones, Tetter, Pimples on the face and all Scaly Eruptions of the Skin.

This article is now prescribed by some of the most distinguished Physicians in the Country, and has proved more efficient in practice than any preparation of Sarsaparilla yet offered to the public. Several cases of secondary Syphilic, Mercurial and Scrofulous diseases have entirely recovered in the incurable wards of our public institutions, which had for many years resisted every mode of treatment that could be devised. These cases furnish striking examples of the salutary effects of this medicine in arresting some of the most inveterate diseases, after the glands were destroyed and the bones already affected.
