The Committee having retired, Judge WILyor being called for, addressed the Convention. At the conclusion of his remarks, E. O. Goop-RICH from the committee, made the following report :-

Resolved, That we approve the action of the Republican Convention held at Pittsburg. on the 22d of February last, to consolidate the lements of opposition to the extension of Slavery into one political party ; and we adopt as the basis of our political action the principles then laid down, to wit :--

1. We demand and shall attempt to secure the repeal of all laws which allow the introduction of slavery into territories once consecrated to freedom, and will resist by every constitutional means the existence of slavery in any of the territories of the United States.

2. We will support by every lawful means ar brethren in Kansas in their constitutional and manly resistance to the usurped authority their lawless invaders, and will give the full weight of our political power in favor of the mmediate admission of Kansas to the Union as a free, sovereign, independent State.

3. Believing that the present national adinistration has shown itself to be weak and hithless, and that its continuance in power is identified with the progress of the slave power to national supremacy, with the exclusion of reedom from the territory, and with increasng civil discord, it is a leading purpose of our rganization to oppose and overthrow it.

Reecled, That we accept the issue forced pon us by the Slave power, and will resist to the utmost of our abilities, the effort to make Slavery National ; believing as we do that Institution. reedom is necessary for the virtue, intelli-

Affairs in Kansas. ST. LOUIS, Apfil 29 .- The St. Louis Demo

crat publishes a letter from Kansas dated the 29th, which says that while sheriff Jones was sitting in a tent of soldiers, he was shot by a party outside, and dangerously wounded.---Jones had made twelve arrests during the day, assisted by a company of dragoons. Much ex-citement prevailed in regard to the affair .--The perpetrator was unknown. The situation of Sheriff Jones was very criticai.

The congressional investigating committee commenced its sessions at Lawrence on the 23rd instant.

Sr. Louis, May 3, 1856. The Republican's Westport correspondent has received a letter from Dr. M'Kee, the physician of Sheriff Jones, dated the 29th ult. which says that the symptoms of the Sheriff are favorable, and that hopes are entertained of his recovery ; also, that Col. Summer arrived at Lawrence the day before, with his whole command, and severely threatened the people for firing the tent of his lieutenant. Gov. Robinson charged the act on the Pro-Slavery party. Col. Sumner denied this, and said if things were left to him he would quickly settle the matter.

The correspondent of The Democrat writes that Sheriff Jones removed from Lawrence to Franklin on the 24th, accompanied by Messrs. Stringfellow and Whitfield, who said they dared not remain in Lawrence

Mr. Striugfellow went before the Committee of Investigation and demanded if he had the right to appear himself or by counsel to introduce testimony, examine witnesses, &c. Mr. Howard, Chairman, refused the demand on the ground that the object of the Committee's coming would thereby be defeated, as the result would not be an investigation on their part, but an inquisition by everybody.

The same letter states that the Deputy-Sheriff of Douglas Conuty is having writs is-sued for the arrest of 100 citizens of Lawrence, charged with the commission of crime under the Territorial laws.

A standing army will be stationed at Law-

Douglas' Donation.

In respect to the gift of Douglas to the Baptist denomination of Chicago, valued at \$50,000, we find in the Chicago Democrat of Saturday, the following explanation :--This is the old story which Douglas has set

afloat several times before. Douglas owns a large tract of land about half a mile south of the city limits, and to increase its value, has tried to give away these

ten acres several times before. Speculators in land know how to do these things The expenditure required would greatly enhance the value of what remains of his

tract. Douglas offered it to the Presbyterians, but they were persuaded that they could do better

elsewhere. The value of the land we see is set down at \$5,000 per acre. We have sixty acres in the vicinity, eqally as well located, for which we should like to get \$2,000 an acre, which is about a fair price for land in that neighborhood.

But Douglas expects that if splendid buildings are erected there, that balance will be brought up to \$5,000 per acre, and thus he will make a nice speculation out of his " liberality?

It is to be called the " Douglas University. says his paper. Perhaps so. Nothing would more surely kill it before it is alive ! It is also stated that subscriptions to the

amount of \$100,000 for the crection of the buildings have been made. If so, our Baptist friends have, in this, doue enough for Douglas, without giving a "crushing" name to the

But we infer from Douglas' want of success
