## RESOLUTION

Proposing Amendments to the Constitution of the Commonwealth.

Resolved by the Senate and House of Representatives Resolved by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met. That the following amendments are proposed to the constitution of the commonwealth, in accordance with the provisions of the tenth article thereof.

FIRST AMENDMENT.

There shall be an additional article to said constitution to be designated as article eleven, as follows:—

the provisions of the tenth article thereof.

There shall be an additional article to said constitution to be designated as article cleren, as follows:—

OF PUBLIC DEBTS.

Section 1. The state may contract debts, to supply casual deficits or failures in revenues, or to meet expenses not otherwise provided for; but the aggregate amount of such debts direct and contingent, whether contracted by virtue of one or more acts of the general assembly, or at different periods of time, shall never exceed seven hundred and fifty thousand dollars, and the money arising from the creation of such debts, shall be applied to the purpose for which it was obtained, or to repay the debts so contracted, and to no other purpose whatever.

Section 2. In addition to the above limited power the state may contract debts to repel invasion, suppress insurrection, defend the state in war, or to redeem the present outstanding indebtedness of the state; but the money arising from the contracting of such debts, shall be applied to the purpose for which it was raised, or to repay such debts, and to no other purpose whatever.

Sections 3. Except the debts above specified, in sections one and two of this article, no debt whatever shall be created by, or on behalf of the state.

Section 4. To provide for the payment of the present debt, and any additional debt contracted as aforesid, the legislature shall, at its first session, after the adoption of this amendment, create a sinking fund, which shall be sufficient to pay the accruing interest on such debt, and annually to reduce the principal thereof by a sum not less than two hundred and fifty thousand dollars; which sinking fund shall consist of the net annual income of the public works, from time to time owned by the state, or the proceeds of the saie of stocks owned by the state, together with other funds, or resources, that may be designated by law. The said sinking fund may be increased, from time to time, by assigning to it any part of the taxes, or other revenues of the state, not require

NATICLE XII.

OF NEW COUNTIES.

No county shall be divided by a line cutting off over one-tenth of its population, (either to form a new county or otherwise,) without the express assent of such county, by a vote of the electors thereof; nor shall any new county be established, containing less than four hundred square rolles.

miles.

THIRD AMENDMENT.

From section two of the first article of the constitution, strike out the words, "of the city of Philadelphia, and of each county respectively;" from section five, same article, strike out the words, "of Philadelphia and of the several counties;" from section seven, same article, strike out the words, "neither the city of Philadelphia nor any," and insert in lieu thereof the words, "and no;" and strike out section four, same article, and in lieu thereof insert the following:

and sixty-four, and in every seventh year thereafter, representatives to the number of one hundred, shall be apportioned and distributed equally, throughout the state, by districts, in proportion to the number of taxable inhabitants in the several parts thereof; except that any county containing at least three thousand five hundred county containing at least three thousand five hundred taxables, may be allowed a separate representation; but no more than three counties shall be joined, and no county shall be divided, in the formation of a district. Any city containing a sufficient number of taxables to entitle it to at least two representatives, shall have a separate representation assigned it, and shall be divided into convenient districts of contiguous territory, of equal taxable population as near as may be, each of which districts shall elect one representative."

elect one representative."

At the end of section seven, same article, insert these words, "the city of Philadelphia shall be divided into single senatorial districts, of contiguous territory as nearly equal in turable population as possible; but no ward shall be divided in the formation thereof."

The legislature, at its first session, after the adoption

The legislature, at its first session, after the adoption of this amendment, shall divide the city of Philadelphia into senatorial and representative districts, in the manner above provided; such districts to remain unchanged until the apportionment in the year one thousand eight hundred and sixty-four.

FOURTH AERNEMENT.

To be section XXVI, Article 1.

The legislature shall have the power to alter, revoke, or annul, any charter of incorporation hereafter conferred by, or under, any special, or general law, whenever in their opinion it may be injurious to the citizens of the commonwealth; in such manner, however, that no injustice shall be done to the corporators. justice shall be done to the corporators.

In Senate, April 21, 1856.

THE ELECTRO CHEMICAL BATH DIRECT & TO-&-FRO ELECTRO MAGNETIC MACHINE.

DIRECT & TO-&-FRO ELECTRO MAGNETIC MACHINE.

JAMES HARRIS, ELECTRICIAN, of Towanda, respectfully informs the public that he has lately precured from New York the celebrated Electro-Chemical Bath, which has proven to be one of the most important and wonderful discoveries of the age, from its ability to extract minerals from the human system.

Some eight years ago, a physician of Cincinnati discovered the process of extracting minerals from the body, by galvanism; more recently, M. Verges, of New York, an electro-gilder, having suffered from the introduction of poisonous minerals into his system in the prosecution of his art, conceived the blea of removing them by the same processes, he succeeded in doing so, and quickly recovered. He then applied the same means to others similarly affected, with like results. His success exceeded his most sanguine expectations, for not only did these Baths remove mineral poisons, but cured many diseases, some of which were the result of minerals, and some were not.

More recent experiments have fully confirmed the singular power of this Bath to draw from the system all minerals that may be lodged therein, to the great detriment of health. Very often persons are afflicted by diseases which are beyond the comprehension of the most skilful physicians, and which are the effect of poisonous minerals accumulating in the system for years, taken in the shape of calomel, lead, &c. &c.

The following are some of the diseases cured by these baths: Rheumatism, Paralysis, Palsy, Painter's Cholic, Chronic Ulcers, Glandular Swellings, Scrofula, Cancer, Neuralia in all its forms, Salt Rheum and Humors of all kinds.

He has also S. B. Smith's newly invented DIRECT AND TO-AND-FRO ELECTRO MAGNETIC MACHINE, which is a great improvement on the Magnetic machines heretofore in use. With the aid of the Bath and Machine, we have at command all the available medical efficiency of Electricity. The medical power of the Machine is very great, in introducing medicines into the system through the pores of t

Hands by reasonable rate prices.

I am also sole agent for Bradford county, for the above Machines.

JAMES HARRIS.
