ALLEGED WIFE POISONING AT DANVILLE, PA. -Danville, Pa., May 12-A horrible case of supposed wife poisoning has just been revealed at this place, caused by the death, under suspicious circumstances, of Mrs. Catharine Ann Clark, on Saturday last. It having been ascertained that her husband, a pedler, named William Clark, had purchased, on several occasions previously, both arsenic and strychnine, in order, as he alleged, to poison rats, and her sudden death soon after cause suspicion of foul play was created Clark was arrested, and a Coroner's jury summoned to investigate the cause of her death A post mortem examination was also held by three eminent physicians of Danville, the result of whose investhough it is asserted the physicians agree that her death was caused by arsenic. They are low analyzing the contents of her stomach.

The husband of a Mrs. Twiggs died about three weeks since, under similar circumstances, and for certain reasons suspicion rests upon her a being an accomplice of Clark. She has been arrested. The body of Mr. Twiggs will probably he disinterred this evening for mediat examination.

The public excitement is intense, to ascerlain the result of the analysis of the contents the Stomach of the deceased. No verdict has yet been rendered by the Coroner's jury.

[From the Chicago Tribune, May 9.] Scarcity of Grain at the West.

From careful inquiry, personally made both of people from the country and along the lines of three of the principal roads leading into this of them murdered by the people. At Quincy the demand for corn to take over into Missouri is much greater than the supply; and one distiller; at least is buying grain at St. Louis, and send ing it up the river by the boat load, to avoid stopping work, as it would do if obliged to de pend upon home supplies. At Keokuk and Burlington the demand is very active and the supply small, as it is, indeed, in every other part of the West from which we have heard. Along the St. Louis and Chicago road there is more corn, but not half the usual quantity. Along the Galena Air Line, Galena and Chitigations has not yet been made public; al- cago, the Chicago, Burlington and Quincy, and the Chicago and Rock Island roads, hardly a full crib is to be seen.
