

ARRIVAL OF RUNAWAY MORMONS AT OMAHA, N. T.—We learn from one of the officers of a steamer which arrived yesterday from the upper Missouri, that on reaching Omaha City, he was informed by some of the citizens that a party of sixty Mormons had arrived on the 2d inst. The party encamped in the town, and stated that they intended to start down the river in a few days. They were loud in their denunciations of the ruling men of Utah, and aver that they believe that a large number of the inhabitants of the valley, as soon as they see a chance of protection by the arrival of the U. S. Troops, will gladly avail themselves of the opportunity of withdrawing themselves of the valley they are now roaming under. These persons who have reached Omaha are a party of the disaffected citizens of Salt Lake City, and their escape (that is the word they use) was the result of a well devised and cautious strategy. They left Salt Lake about April 20th.—*St. Louis Democrat, 7th.*

CHURCH STRUCK BY LIGHTNING—HOOPS MELLOR—Sabbath before last a violent thunder storm passed over New Jersey. At James, near Amboy, the Sabbath school of the Presbyterian Church was holding its meeting in the afternoon, when the fluid struck the building. It entered the room, making only a small hole, and decended by the chandelier to the center of the church, where it exploded. Quite a number of adults, as well as children, were prostrated by it, and their clothes burnt. Yet no fatal results followed, although some hours, and even days, followed before perfect restoration took place. But the remarkable feature of it remains to be told, and this is given by a clergyman who resides who one present. It is stated that the ladies who were brass hoops in their dresses were unharmed, but the hoops themselves were melted. The electric fluid was thus diffused, and perhaps lives saved, by this novel species of conductor.

COL. KINNEY "TURNED UP."—The New Orleans Picayune is informed that Col Kinney was at Rutan on the 13th ult. It seems that after leaving Greytown, the Colonel had directed his course to Omo, or some place to the eastward, on the Honduras coast, but on account of his supposed sympathy and connection with filibustering, was not allowed to land. He afterwards made his way to Rutan, where the schooner which bore him and his fortunes was condemned, having sprung a leak in a severe gale in those waters. Kinney was seeking an opportunity to return to this country.

FOR YOUNG LADIES DROWNED.—Julia and Ann Brogan, sisters, Ellen Rattleburn and Kate Farrel, in company with three young gentlemen, were, on Friday afternoon, taking a sail on a large pond, in the easterly part of the town of Webster, Massachusetts, when the boat capsized, and the whole party were thrown into the water. The young men swam ashore, but the young ladies all were drowned.

THE feeling in the South against the course adopted by Gov. Walker in Kansas grows more bitter. A public meeting has now been held in Montgomery, Ala., at which violent resolutions, denunciatory of the Governor, were adopted, and inflammatory speeches made. Lawrence M. Kerr, of South Carolina, late the colleague of Preston S. Brooks, has published a letter in which Gov. Walker is abused without stint.

THE course of Rev. Dr. Ross and his supporters in seceding from the New School Assembly at Cleveland, meets the marked disapprobation of the majority of the Presbyterian Church in the South. The Southern Presbyterian, published at Charleston, as the organ of the Church in the South, has a sharp article on Dr. Ross, declining to accept his leadership.

The number of bodies from the wreck of the Montreal in the St. Lawrence is now 242. The wreck has been advertised for sale. Publicity of the dead is practiced to a dreadful degree by the inhuman fellows who assist in recovering the bodies. The Canadian authorities have not affected the arrest of any of the parties engaged in such proceedings.

DAVID R. ARCHISON, of Kansas notified by his written a letter to friends in South Carolina, virtually abandoning the field. He says it is evident the South is no match for the North in Kansas, and that the latter contributes ten dollars where the former gives one for support of its cause.

The St. Lawrence Disaster.—The body of an unknown child was picked up on the Bank of the St. Lawrence, a short distance from Quebec, on Tuesday, making the two hundred and forty seven recovered victims from the burning of the steambot Montreal.

The Daily Telegraph says the deeds for the Main Line of the Public Works will be delivered to the Pennsylvania Railroad Company about the 15th of this month, when they will go into possession.

The St. Louis Republican, of the 8th inst., has received information from Leavenworth, Mo., which is very late, and discredits the silly stories set afloat up the river of the defeat of Gen. Snodgrass's command, by the Cheyenes and Arapaches. On Sunday last no such information had been received at Fort Leavenworth by General HANXBY, and he gives no credence to the story.

The United States Deputy-Marshal and assistants, in custody of the Sheriff of Clark County, Ohio on a charge growing out of the recent attempted arrest of fugitive slaves, were on Thursday, discharged from custody.

THE COURSE OF REV. DR. ROSS AND HIS SUPPORTERS IN SECEDED FROM THE NEW SCHOOL ASSEMBLY AT CLEVELAND, MEETS THE MARKED DISAPPROBATION OF THE MAJORITY OF THE PRESBYTERIAN CHURCH IN THE SOUTH.
