

### A few Words about David Wilmot.

Truth seeking Democrats! We have a few words to say to you about this man. Will you sit down and listen?

DAVID WILMOT is presented by a great party as a candidate for Governor. Who is he?—What was he?—where does he stand at this time? These are all pertinent questions, and while we answer them we respectfully solicit your attention.

Then who is DAVID WILMOT, and what has been his position? He entered public life, not only in the enjoyment of the enthusiastic confidence of his immediate constituency, but with an eminent position, already attained by his talents and eloquence, high in the ranks of our party.

Our friends in the various counties are requested to note these appointments, and take immediate steps to circulate the information, and to secure a full attendance of voters.

### DELEGATE ELECTIONS.

We hold it to be the duty of every good Republican to attend the Delegate meetings, and participate therein, that the wishes of the people may be manifested, and carried out in the County Convention.

WHAT HAS BECOME OF THE BRADFORD TIMES? The following colloquy was heard last week in one of the townships of this county:—"Good morning, neighbor, have you seen the notice of the Fair for this fall?"

LOOK HERE.—It is much to be regretted that any professed Republican should make the political antecedents of candidates whether Whig or Democratic, the grounds of preference.

Our neighboring village of Waverly is emphatically a great county. Its citizens boast of the prettiest girls, the biggest babies, and the fastest horses in all creation.

They possess the New York and Erie Railroad, a military company, a fire company, several taverns, a newspaper and a bank, besides several other "institutions," and get up the biggest kind of Fourth of July celebrations, where every man is a marshal, unless he is one of the Committee of Arrangements.

These accounts, it is since believed were exaggerated, and the most reliable information, I can obtain is to the effect that the explosion took place in the drying mill, blowing the building to atoms, and sending its fragments to an immense distance.

HOUSE BURNED BY A CRAZY MAN.—STRANGE DELUSIONS.—For a month or more a young man named Davis, at one time employed in the chair factory of Mr. David McDowell, at Exchangeville, Pa., had been afflicted with symptoms of insanity, but not of such a violent kind as to require confinement.

MISSOURI ELECTION.—The official returns in eight counties, and the reported vote in twenty-three other counties, reduce Rollin's majority for Governor to such an extent that the official returns from all will be required to determine the actual result of the contest in the State.

The Surrogate of New York City has decided that Mrs. Cunningham is not the widow of Dr. Burdell, and that the heirs are entitled to his property.

The loss by the recent great fire at St. Paul, Minnesota, amounts to \$60,000; insurance \$10,000.

Jacob M. Eyster, Esq., of Harrisburg, has been appointed by Gen. Power, the Assistant Adjutant General of the State.

MELANCHOLY DEATH.—We are pained to state that Mr. William McAllister, who has been a compositor in our office, between three and four years past, was drowned between 2 and 3 o'clock this (Wednesday) morning, August 19th, in the lock of the Chenango Canal.

THE BRADFORD TIMES.—Oh, the Times; why did not you know that that paper busted up just about the time your post-office was upset, and the editor has left the country?

LOOK HERE.—It is much to be regretted that any professed Republican should make the political antecedents of candidates whether Whig or Democratic, the grounds of preference.

THE SHAM DEMOCRACY OF SASSEBANA COUNTY met at Montrose on Monday last and nominated the following ticket: For Representative, C. S. Gilbert, of Great Bend; for Sheriff, O. M. Crane, of Montrose; for Prothonotary, George M. Dennison, of Dimmock; for Register and Recorder, Reuben Tuttle, of Gibson; for Commissioner, Jenison Stone; for Treasurer, Daniel Brewster; for Auditor, I. E. Birchard; for Coroner, John Bolton.

DUPONT'S POWDER MILLS BLOWN UP.—WILMINGTON, August 22.—Wilmington was thrown into a high state of excitement about five o'clock this afternoon, by a terrific explosion which came from the direction of Dupont's powder mills, on the Brandywine, four and a half miles below this city.

The excitement was heightened by the news which afterwards reached the city, that several of Dupont's mills had exploded, killing several persons and severely wounding others.

A number of physicians and others immediately hastened towards the scene of the disaster, and several physicians in Philadelphia were also telegraphed for.

THE "RIGHT OF PROPERTY" CASE IN VIRGINIA.—The grand jury of Prince William county, Va., have found a true bill against JOHN UNDERWOOD, for maintaining by speaking that an "owner has no right of property in his slaves," &c., and he has been held to bail in the sum of \$500 for his appearance at the November Court.

BATTLE BETWEEN THE APACHE INDIANS AND U. S. TROOPS.—ST. LOUIS, August 22.—Col. Roberts, who has just arrived from New Mexico, reports that a battle was fought between the Apache Indians and the U. S. Troops under the command of Colonel Miles, on the river. Twenty-five of the Indians were killed and upwards of thirty wounded.

A SENSIBLE MAN.—Judge R. B. Warden heretofore a leading, prominent and influential Democrat of Ohio who supported Buchanan last year, has become disgusted with the endorsement by the State Convention of the Ohio Scott decision, and in a letter to the Ohio State Journal, invokes a merited defeat upon his party.

To the Republicans of Bradford County.—I will give to the Republican Electors of the county, that an election by ballot, will take place at the Grand J. R. Room, on SATURDAY, Sept. 5, 1857, for the purpose of electing three Delegates to represent said county at the Republican County Convention which is to assemble at the Court House, on Monday evening, September 1, 1857.
