THE RAILROAD WAR IN ERIE-THE TRACK TORN UP .- On Thursday evening last, a large and respectable number of the citizens of Harbor Creek convened at the Greenwood Schoolhouse, to take into consideration the recent demonstration on the part of the Buffalo and Erie Railroad in fact, but Erie and Northeast Railroad ostensibly, to take from the public at large and use for their own individual purposes the highway in Harbor Creek, the occupancy of which by the Railroad Company has, at an ssue before the Supreme Court, been declared illegal and contrary to the provisions of its charter. After an expression of views on the part of those present, it was unanimously resolved to notify the Railroad Company that the citizens of Harbor Creek would not relinquish the right of their highways-; and that the Company must remove the obstructions already placed upon them, and if they refused, the pathmasters of the township were authorized to remove the road already graded from the public roads. It appears, however, that the E. & N. E.R. R. Co.—a corporation of our own State-has been swallowed up by a foreign corporation, over which our State possesses no authority, and who have no feelings of interest in common with our citizens. On Wednesday the Commissioners notified the pathmasters that the obstructions must be removed from the highways forthwith, whereupon a large number of responsible and respectable citizens appeared on the ground, and remored that part of the road obstructing the highway. On the same day, shortly after the road was demolished, the person having charge of the road immediately set to work and commenced rebuilding the road. We are not advised of what action will be taken on the premises, but we are confident that the obstructions will be removed by the citizens of Harbor Creek, as often as laid down by the Railroad Company. It seems as though the Railroad monopolists wish another war-if so, they are pursuing the right course to have their desire gratified .-Erie (Penn.) Dispatch.

FROM KANSAS .- LEAVENWORTH, Wednesday May 26 .- The Board of Commissioners appointed under the act of Congress of May 4, convened at Lecompton on the 24th. President, J. W. Denver, Governor; Hugh S. Walsh, Secretary; C. W. Babcock, President of the Council; GEO. W. DEITZLER, Speaker of the House; and WM. WEIR, District Attorney. The members of the Board were sworn in by Judge Caro, and the commission organized by electing Gov. Denver, President, and Mr. Walsh Secretary. A Committee of three was appointed by the Chair, to prepare a programme for conducting the election, and report at the next meeting of the Board, which takes place on the 31st of May. On motion of Mr. Barcock, it was unanimously agreed that the election ordered by Congress be fixed for the first Monday in August next. The Commission then adjourned.

Gov. DENVER arrived here this evening, and occeeded to the Fort. Rumors are in circulation of a battle on the Southern Border between the Free State force and a party of Missourians, in which 21 persons were killed and wounded. The news is not authentic.
