Their facilities are certainly unsurpassed; as one member of the firm is on the spot all the while, consulting the tastes and wants of their numerous customers, whilst another of the firm is daily in the auction rooms and importing houses in New York City, securing the newest and most desirable goods at the very lowest rates, (as they buy exclusively for cash) and as they sell for cash only they have no losses to make up, and consequently can and do sell so cheap as to defy competition. Time and space preclude the possibility of mentioning half or quarter of the many inducements which are offered to all to trade at their popular establishment, and the New Advertisements will from week to week give but a limited idea of the many advantages to be derived by calling
