The World Challenged! The Excelsior Churn! Patented by SILAS HEWITT, July 14, 1857.

HURN is the result of years of experience by a RN is the result of years of experience by a farmer, to produce a Churn that has all the f the old Dash Churn, and be a labor-saving e claim for this Churn, and are prepared to all demonstration, that it will produce more ter quality—with less time and less labor-er Churn in market. It is perfectly simple ction, not liable to get out of order, and a section it. ate on it. It has been thoroughly tested by d farmers in Seneca and adjoining Counties, fully established wherever introduced, and by all to be one of the greatest improve-

ne age.
