Family Sewing Machines. NEW STYLES-PRICES \$50 TO \$125 EXTRA CHARGE OF \$5 FOR HEMMERS.

F. B. CHANDLER, AGENT, MONTROSE; J. M. ROBINSON, LAKEST., ELMIRA.

THESE MACHINES sew from two spools, as purchased from the store, requiring no re-winding of thread; they Hem, Fell, Gather, and Stich in a superior style, finishing each seam by their own operation, without recourse to the hand-needle, as is required by other machines. They will do better and cheaper sewing than a seamstress, even if she works for one cent an hour, and are, unquestionably, the best Machines in the market for family sewing on account of their simplian hour, and are, unquestionably, the best machines in the market for family sewing, on account of their simplicity, durability, ease of management, and adaption to all varieties of family sewing—executing either heavy or fine work with equal facility, and without special adjustment. As evidence of the unquestioned superiority of their Machines, the Grover & Baker Sewing Machine Company beg leave to respectfully refer to the following TESTIMONIALS.

"Having had one of Grover & Baker's Machines in my family for nearly a year and a half, I take pleasure in commending it as every way reliable for the purpose for which it is designed—Family Sewing,"—Mrs. Joshua Leavitt, wife of Rev. Dr. Leavit, Editor of N. Y. Inde-

It has always been ready for duty, requiring no adjustment, and is easily adapted to every variety of family sewing, by simply changing the spools of thread."—Mrs. Elizabeth Strickland, wife of Rev. Dr. Strickland, Editor of N. Y. Christian Advocate.

"After trying several good machines, 1 preferred yours, on account of its simplicity, and the perfect ease with which it is managed as well as the strength and durability of the seam. After long experience, I feel competent to speak in this manner, and to confidently recommend it for every variety of family sewing."—Mrs. E. B.
