

The best corobined Mower & Resper in the world! IT IS A PERFECT MOWER! IT IS A PERFECT REAPER

IT IS A PERFECT REAPER!

WE WARRANT it as a complete Mower, and as a complete Reaper, and also as a Complete Combined Machine. It is jsimple, durable, convneient to handle, easily operated, no side draft, the lightest draft machine known, and the cheapest Combined Mower and Reaper now made. It does not bear upon the horses' necks. R is admirably adapted to rough ground and for all kinds of work. It is easy for the raker in reaping, and delivers the gavels in good shape at one side. It is very difficult to clog. It is almost entirely made of iron, except the seat, pole and reaping attachment. It is readily thrown in and out of gear, and by means of a lifting lever and wheel, the driver can, when moving, at pleasure elevate either end or both ends of the finger bar, to move over obstructions, carry his swath, or pass from field to field.

Farmers of Bradford! the Kirby Harvester is manufactured at the TIOG v POINT AGRICULTURAL WORKS, in your own County, almost at your very doors, and therefore, as well as on account of its superior merits. the best machine for you to buy. Apply to J. R. & E WELLES, at Wyalusing; to L. & R. SFILES, at East Troy, or to the subscribers. Illustrated and descriptive catalogues to all applicants.

to all applicants.

Do not buy any other Mower and Reaper, till, at least, you know more of the Kirby American Harvester.

They will Stitch. Hem, Tuck, Fell, Gather, and Em-provider, with perfect satisfaction, and especially adapted to family use.

They will seve all kinds of goods, from t'e finest to the coarsest, better than any Machines now extant.

The following are the advantages they possess over all when Machines. person of ordinary intelligence, can in one our learn to use them successfully.

2nd. They are simple, strong and durable, easily undertood and managed, and not liable to get out of order.

3rd. They use cotton from the ordinary spool without

rewinding.

4th. The stitch is stronger and more difficult to rip
than any other made by Machinery. The two threads are
double looped into each other, and firmly tied and knotted at every stitch, which is the best and most elastic 5th. They sew with cotton, licen and silk thread equal-

6th. They finish their work. There is no occasion to fasten the thread at either end of the seam, as is required fasten the thread at either end of the seam, as is required by other shuttle stitching machines.

The Every Machine is made to run by band or foot power, thus combining the advantages of both methods.

All pers ins des rous of purchasing the best and cheapest Machine ever invented for family use, can now have an opportunity, by addressing or calling on the subscriber.
