Stwing Machine.

GROVER & BAKER'S Family Sewing Machines.

NEW STYLES—PRICES \$50 TO \$125.

EXTRA CHARGE OF \$5 FOR HEMMERS.

J. B. CHANDLER, AGENT, MONTROSE; F. M. ROBINSON, LAKE-EST, ELMIIRA.

THESE MACHINES sew from two spools, as purchased from the store, requiring no re-winding of thread; they Hem, Fell, Gather, and Stitch in a superior style, finishing each seam by their own operation, without recourse to the hand-needle, as is required by other machines. They will do better and cheaper sewing than a seamstress, even if she works for one cent an hour and are, unquestionably, the best Machines in the market for family sewing, on account of their simplicity, durability, ease of management, and adaptation to all varieties of family sewing—excepting only the heavy or fine work with equal facility, and without special adjustment.

As evidence of the unquestioned superiority of their Machines, the Grover & Baker Sewing Machine Company beg leave to respectfully refer to the following

TESTIMONIALS:

"Having had one of Grover & Baker's Machines in my family for nearly a year and a half, I take pleasure in commending it as every way reliable for the purpose for which it is designed—Family Sewing"—Mrs. Johanna Leavitt, wife of Rev. Dr. Leavitt, Editor of N. Y. Independent.

"I confess myself delighted with your Sewing Machine, which has been in my family for several months. It has always been ready for duty, requiring no adjustment, and is easily adapted to every variety of family sewing, by simply changing the spool and needle."—Mrs. Elizabeth Strickland, wife of Rev. Dr. Strickland, Editor of N. Y. Christian Advocate.

"After trying several good machines, I preferred yours, on account of its simplicity, and the perfect ease with which it is managed, as well as the durability and flexibility of the seam. After long experience I feel compelled to speak in this manner, and to confidently recommend it for every variety of family sewing."—Mrs. E. B. Spooner, wife of the Editor of Brooklyn Star.

"I have used a Grover & Baker Machine for two years, and I have found it adapted to all kinds of family sewing, from Cambric to Broadcloth. Garments have been worn without the giving away of a stitch. The Machine is easily kept in order, and easily used."—Mrs. A. B. Whipple, wife of Rev. Geo. Whipple, Editor of N. Y. Independent.

"Your Sewing Machine has been in use in my family the past two years, and the ladies request me to give you their testimonials to its perfect adaptiveness, as well as labor-saving qualities in the performance of family and household sewing."—Robert Boorman, New York.

"For several months we have used Grover & Baker's Sewing Machine, and have come to the conclusion that every lady who desires her sewing beautifully and quickly done, would be most fortunate in possessing one of these reliable and indispensable 'iron needle-women.' Their combined qualities of beauty, strength and simplicity are invaluable."—J. W. Morris, daughter of Gen. Geo. P. Morris, Editor of the Home Journal.

Extract of a letter from Thos. R. Leavitt, an American gentleman, now resident in Sydney, New South Wales, dated Jan. 12, 1858, to the Grover & Baker Sewing Machine Co.:

"I had a test made in Melbourne, in 1853, in which there were over three thousand yards of sewing done with one of Grover & Baker's Machines, and a single seam of that length, and the double seams sewed by sailors with a needle and twine."

"If Homer could be called up from his murky hades he would sing the advent of Grover & Baker as a more benignant miracle of art than was ever Vulcan's smithy. He would denounce midnight shirt-making as 'the direful spring of woe unnumbered to the human race.'"

"I take pleasure in saying that the Grover & Baker Sewing Machine has more than sustained my expectations. After trying and returning others, I have three of them in operation in my different places, and, after four years' trial, have no fault to find."—J. H. Hammond, Senator of North Carolina.

"My wife has had one of Grover & Baker's Sewing Machines for some time, and I am satisfied it is one of the best labor-saving machines that has been invented. I take much pleasure in recommending it to the public."—J. G. Harris, Governor of Tennessee.

"It is a beautiful thing, and puts everybody into an excitement of mind and body. I should like to see it in the hands of every man, woman and child in commemoration of their good deeds for humanity."—Cassius M. Cloy.

"I think it by far the best patent in use. This Machine can be adapted from the finest cambric to the heaviest cassimere. It sews stronger, faster, and with less noise than one can imagine. If mine could not be replaced, I might not buy it."—Mrs. J. G. Brown, Nashville, Tenn.

"It is speedy, very neat, and durable in its work; it is easily understood and kept in repair. I earnestly recommend this Machine to all my acquaintances, and others."—Mrs. M. A. Forrest, Memphis, Tenn.

"We find this Machine to work to our strength and ability with pleasure, and we recommend it to the public, as we believe Grover & Baker to be the best labor-saving Machine in use."—Deary Brothers, Allison, Tenn.

"If used expressly for family purposes with ordinary care, I will wager they will last one or three score years and ten," and never get out of fix."—John Erskine, Nashville, Tenn.

"I have had your Machine for several weeks, and am perfectly satisfied with its work, and believe it to be the most beautiful that was ever made."—Maggie Anzine, Nashville, Tenn.

"I use my Machine upon coats, dressmaking, and fine linen stitching, and the work is admirable—far better than the best hand-sewing, or any other machine I have ever seen."—Lucy B. Thompson, Nashville, Tenn.

"I find the work the strongest and most beautiful I have ever seen, made either by hand or machine, and I regard the Grover & Baker Machine as one of the greatest blessings to our sex."—Mrs. Taylor, Nashville, Tenn.

"I have one of Grover & Baker's Sewing Machines in use in my family, and find it invaluable. I can confidently recommend it to all persons in want of a machine."—G. T. Thompson, Nashville, Tenn.

"I take pleasure in certifying to the utility of the Grover & Baker Sewing Machine. I have used one almost every description of work for months, and I find it much stronger and better in every respect than work done by hand."—Mrs. B. W. Wheeler, Nashville, Tenn.

"We are unwilling to dispose of my Grover & Baker Machine for a large amount, I could not replace it again at pleasure."—Mrs. H. G. Scovel, Nashville, Tenn.

"Our two Machines, purchased from you, do the work of twenty young ladies. We with pleasure recommend the Grover & Baker Sewing Machine to every lady who has a sewing machine, and by no means complicated, and I prefer it to all others I have seen."—Mrs. Bryan, wife of Rev. A. M. Bryan, Memphis, Tenn.

"It affords me much pleasure to say that the Machine I have used, I do not hesitate to recommend it as possessing all the advantages you claim for it. My wife is much pleased with it, and we take pleasure to certify to this effect."—R. C. Brinkley, Memphis, Tenn.

"I give my pleasure to find the Grover & Baker Sewing Machine giving so much satisfaction, have it in constant use, and find it that which is desired. It is the most simple and durable machine in use, and I heartily recommend it."—Mrs. F. M. White, Memphis, Tenn.

"Having seen, examined, and used many other kinds of Sewing Machines, I feel free to say that the Grover & Baker Machine is far superior to all I have seen."—Mrs. F. M. White, Memphis, Tenn.

"I consider my machine invaluable, and would not take five times its cost, if I could not supply its place. With it I can do all my family sewing in about one-fourth the time I could with my hands."—M. J. Scott, Nashville, Tenn.

JEWELRY! JEWELRY! JEWELRY!

A. M. Warner's

New & Splendid Jewelry Store, one door north of Patton's Drug Store.

HAS just been opened with the largest and most complete assortment of PATENT AMERICAN JEWELRY ever offered to the public. Indeed, he can safely say that with the opening of his new store has been in the favor of his old customers, and invites the jewelry line, inasmuch as along with the choice and elegant assortment he gives the most reliable assurance of an almost incredible reduction in prices; the rich and tasteful articles having been all bought with ready cash, and at low rates.

A. M. W., when he reflects how, for the past years, with a far less attractive stock, he has enjoyed so large a share of public patronage, flatters himself that the immense increase of Goods he now offers, which have been bought so much more advantageously, will enable him to increase his generous confidence which has hitherto been vouchsafed to him. He therefore solicits a continuance of the favor of his old customers, and invites the public generally to come and see the selections.

THE WATCH REPAIRING DEPARTMENT will continue to be distinguished by the skill and despatch which has heretofore been his, and which has given him the reputation of being the most reliable in town.
