THE undersigned will be prepared the coming Fall, to supply the public with a well selected
and choice variety of trees, shrubs and vines. All orders
sent or given I will attend to filling and delivering myself, and hope to make satisfactory. Trees that shed the
leaf should be transplanted in the fall, evergreens late in
the spring. As some people think that nursery men
should replace all trees that do not live, I would say,
to those buying of me, that I do not agree to do so, but
I will warrant my trees to be in good order when delivered. I will warrant all to live, but in such a case I will
have an extra price, and attend to setting out myself.
