Special dispatch from Washington announces the receipt of official information of the ratification of the Chinese Treaty. The Treaty has been received at Washington. Mr WARD returned to his quarters on board the Powhatan on the 17th of August, and reported that he had received very kind treatment from the A Chinese. Young LADD, who was captured at the Pei-ho, was released in deference to Mr. WARD, by whom he was received and delivered over to the British Commander. Dispatches from Com. Tatnall confirm the reports previously received of disturbances at Shanghai, growing out of the forcible abduction of Coolies. The frigate Mississippi remained at Shanghai during the visit of Com. TATNALL to Japan. Advices from that portion of the East India Squadron stationed at Nagasaki, states that a collision had occurred at that port between the Japanese and the captain and crew of an American merchantman, and that the frigate Germantown was prepared to render assistance. The result is not stated. Com. TATNALL proposed to proceed to Jeddo to make arrangements for the transportation of the Japanese Ambassadors to the United States, but, in his dispatch to the Navy Department, the Commodore expresses a doubt whether it is the intention of the Japanese Government to authorize the departue of the

SAD AFFAIR-SUICIDE NEAR CANDOR.-We have received from a source worthy of credit, a statement of a most melancholy affair.-Charles Covel Pierce, a young man of about 22 years of age, respected and esteemed by all who knew him committed spicide on the mornof the 11th inst., by hanging himself with an ox chain to a hemlock in the woods near the residence of Mr. Lewis Griffin. The only cause assigned is melancholy, arising from a fear that he might be injured in the estimation of the community by defending himself from charges made by a Mr. Ward, that he had slandered his wife and daughter. His friends tried various ways of cheering him, but without avail. On Friday morning he arose early and went out without his coat. This was the last seen of him alive. Towards noon he was found hanging to a small hemlock tree with an ox chain round his ueck.

It appeared he climbed up the tree, and fastening the chain with a long bitch to the tree and around his neck, threw himself off, and the jerk evidently broke his neck. There was no trace of a struggle though his feet rested on the ground .- Owego Times.
