RAYMOND'S LATEST IMPROVED

DOUBLE THREADED SEWING MACHINES! Price Within the Reach of Every Family

Hand Power, \$30; Foot Power, with half doz. Needles &c., \$35; Cabinet Case, \$50; Hemmers, \$5. THESE unrivalled Machines need no puffing,

THESE unrivalled Machines need no puffing, and only want to be seen to insure the approbation of every individual; and although a new applicant for public patronage in this locality, it has attained a popularity heretofore unsurpassed by any Machine. After one year of constant use in the Western States, they have been pronounced the best Machine in the world for family use, and are preferred to the higher priced Machines. Those who want further proof have only to purchase one and give it a fair trial, and if they find they cannot use it, they can return it and have their money refunded. They are warranted as durable as any of the higher priced Machines, and are divested of everything like complicated machinery.

They will Stitch, Hem, Tuck, Fell, Gather and Embroider with perfection, and will sew every kind of goods.

broider with perfection, and will sew every kind of goods from the finest Swiss Muslin to the heaviest and coarsest

from the finest Swiss Muslin to the heaviest and coarsest cloth fabric—tven Leather.

The following reasons are selected from the many, why RAYMOND'S is the best in the Market:

1 Because it is the cheapest. 2 It is by far the simplest. 2 The least liable to get out of order. 4 The easiest managed and understood. 5 It makes the celebrated bomble Lock Stitch, which is the most elastic ever made by machinery. 6 It will not rip if a stitch gets broke or every fourth cut. 7 It makes the neatest and handsomest stitch. 8 The seams are the strongest. 9 It uses two threads from the ordinary spools as bought from the store, without re-winding. 10 They finish their work without fastening the thread at either end or the seam with the hand needle as is required by the Shuttle Stitch Machines. 11 It has the least machinery. 12 Its mechanism is the most perfect. 13 It is the most popular among the masses. 14 It is the easiest running, and almost noiseless in its operation. 15 It is an ornament for any parlor. 16 It combines the advantages of both Hand and Foot Powers. 17 The price is within the reach of every family. 18 any person of ordinary intelligence can learn to use it successfully in one hour's time.—19 They can do all kinds of work that any high priced Machine can, and just as well. 20 Every Machine is warranted to give satisfaction or the money refuxded.

We, the undersigned, are each one of us using one of Raymond's Latest Improved Double-Thread Family Sew-

warranted to give satisfaction of the money refuxded.

We, the undersigned, are each one of us using one of
Raymond's Latest Improved Double-Thread Family Sewing Machines, and we take pleasure in this manner of
confidently recommending it to all persons who want a
good Sewing Machine; for we find it easily managed,
very durable and strong, not liable to get out of order,
and easily adjusted for all kinds of work, by simply
changing the needles and spools of thread, and believe
the work much stronger, better and more perfect in every
respect than that made by land.
