from the finest Swiss Muslin to the heaviest and coarsest cloth fabric—cycn Leather.

The following reasons are selected from the many, why RAYMOND'S is the best in the Market:

1 Because it is the cheapest. 2 It is by far the simplest.

2 The least liable to get out of order. 4 The easiest managed and understood. 5 It makes the celebrated bouble Lock Stitch, which is the most elastic ever made by machinery. 6 It will not rip if a stitch gets broke or every fourth cut. 7 It makes the neatest and hand somest stitch. 8 The seams are the strongest. 9 It uses two threads from the ordinary spools as bought from the store, without re-winding. 10 They finish their work without fastening the thread at either end of the seam two threads from the ordinary spools as bought from the store, without re-winding. 10 They finish their work without fastening the thread at either end of the seam with the hand needle as is required by the Shuttle Stitch Machines. 11 It has the least machinery. 12 Its mechanism is the most perfect. 13 It is the most popular among the masses. 14 It is the easiest running, and almost noiseless in its operation. 15 It is an orniament for any parlor. 16 It combines the advantages of both Hand and Foot Powers. 17 The price is within the reach of every family. 18 any person of ordinary intelligence can learn to use it successfully in one hour's time.—19 They can do all kinds of work that any high priced Machine can, and just as well. 20 Every Machine is warranted to give satisfaction or the money refuxded.

We, the undersigned, are each one of us using one of Raymond's Latest Improved Double-Thread Family Sewing Machines, and we take pleasure in this manner of confidently recommending it to all persons who want a good Sewing Machine; for we find it easily managed, very durable and strong, not liable to get out of order, and easily adjusted for all kinds of work, by simply changing the needles and spools of thread, and believe the work much stronger, better and more perfect in every respect than that made by hand.

OBITUARY.

A little over one year ago sister BUTTLES gave her STORRS & CHATFIELD heart to God, and her name to the M. E. Church, on South Hill. Her relation with the militant church, has been brief, but of sufficient length to give full proof of her meetness for the church triumphant, in Heaven, for it has been my privilege with others, to hear our departed sister talk sweetly of Jesus, and the resurrection, and HORSE-POWER. also of the power of saving grace upon her own heart. In her life our sister exemplified the virtues of a pure thristian, and thus early she has gone to her blest re-Combined Thresher and Winnower, ward, without stain upor her moral or christian characer. JULINA entered upon the year of 1860, with as fair prospects of seeing its close, as many others, but she is gone, and before the first month of the New Year has fed by, the grave has closed over her. Her death was andden and unexpected, being attacked with conegstion Miss ANNA M. DEAN, Assistant Preceptress.
Miss MARY B. ALLEN, Teacher of Vocal and Instrumental Music.

Her funeral was attended by a large congs. course of people, all anxious to drop the tear of affection ver departed worth ; and I tried to improve the occasion by preaching from the words found in Revelations, Chap. , 13-17 verses.
