All orders sent or given I will attend to filling and delivering myself, and hope to make satisfactory. Trees that shed the leaf should be transplanted in the fall, evergreens late in the spring. As some people think that nursery men should replace all trees that do not live, I would say, to those buying of me, that I do not agree to do so, but I will warrant my trees to be in good order when delivered. I will warrant all to live, but in such a case I will have an extra price, and attend to setting out myself.
