of Braintrim, in the tweltth year of her age.

This dear girl was one of uncommon precocity, having the intellectual and religious development of that tender age, attained by most persons only at much more mature years. Her piety was intelligent and completely satisfactory to those most competent to judge in the case. In Wysox, on Mouday, February 27, Mrs. MARY, wife of Stephen Strickland, in her 67th year.

She was united in marriage to him who now mourns her loss in 1818. In 1819 they settled in Wysox, where the remaining part of her life was spent. They passed through the toils and trials incident to a life in a new country, but prosperity attended their labors and they grose from poverty to an abundance of this world's goods. Hemmer, Feller, Binder & Tucking guage, combined, \$5 THE reputation of this Machine is now fully established as the most reliable Machine in the market for family use, and has been attested too by thousands of the BRADFORD COUNTY MUSICAL ASSOCIATION, many use, and has been attested to by thousands of the most respectable families in the Union.

This Machine makes the celebrated "Double Lock Stitch," the only one make by machinery that meets all the requirements of Family Sewing. Each stitch is tied twice, so that every one is securely fastened and wholly independent of all the other stitches for strength, so that if the seam is cut or every fourth stitch broken, the sewing must hold good while the fabric will wear. The machinery which makes this stitch is a marvel of slm-policity, requiring no mechanical skill to manage it, nor

ries between and including heavy beaver cloth, without changing either needles or thread equally well, and re-turn to either variety of work with perfect satisfaction. No other Machine ever offered to the public will do as

The stitch is beautiful, strong, and elastic, and will not rip in wear or in accintal breaking a thread. Every Machine is warranted to give satisfaction or the
