The Argus Book bindery

Again in Full Operation !

WE have the gratification of announcing to our frfends, customers, and the public, that we are now pre-pared to do BOOK BINDING,

BOOK BINDING, in all its Branches in the latest and most approved styles, and on the most favorable terms. Having secured, permanently, the services of Mr. H. C. WHITEKAR, a finished workman from Philadelphia, and having added extensively to the fixtures of the con-cern-giving greater facility than formerly—we can pre-sent to the public the most positive assurance of our abil-ity to please our partons. Bio Customers should be particular to remember that the "Argus Bindery," is in the Argus Building, as form-rely, (first building north of the Ward House) and is con-nected with our Book and Stationery Store and Printing office, where all work should be delivered. CAUTION.—We are compelled in justice to ourselves, and our old enstomers, as well as to prevent an imposition upon the public generally, to caution them against a sort a concern, that falsely holds out to the public that it is the Argus Bindery. This frand is practiced no doubt, with a hope of delading the Public. Against this bold and deliberate attempt to deceive, they are hereby cau-tioned.

CAUTION. "To be, or not to be - hat is the question ! Whether 'tis nobler in the mind to suffer The slings and arrows of outrageous opposition, Or by taking up arms against a sca of printing ink, And opposing, end them." This proprietor of the Argus takes occasion in adver tising his Bindery to indulge in an uncalled for fling about a "sort of a concern." Which is hoping "to delude the public." As I have opened a Bindery on my own ac-count, the inference is that if the public bring their binding to me, they are in no dauger of being defrauded. For two years I have worked for Mr. PARSONS, and he has taken great painst satisfy the public I was the "best Binder in America," as the columns of the Argus will testify. Has he been all that time "deluding the pub-lic?" If I have been engaged in a fraud, he has been the principal. But I refer to my work during that time as evidence that there has been no fraud practiced. Having served a long apprenticeship at the Bindery business, I have resumed business here on my own ac-count, as I know of nothing which prevents me from fol-lowing a legitimate and bawful calling for my support.--shall endeavor by good work and attention to my basi-

for advancement in study are thereby secured. Normal Department—Special exercises are arranged without extra charge for those preparing themselves as Teachers of Common Schools. Prof. C. R. COBURN, the able and well known Superintendent of Common Schools in the county, has kindly consented to organize the Tea-cher's class, and direct the course to be pursued. He will also be present to conduct its exercises as often as practicable, and will deliver frequent lectures on the Theory and Practice of Teaching, as also on other subjects connected with Normal training. Those persons, therefore, intending to engage in teach-ing for the winter, will find it greatly to their advantage to be present during the Fall term. Prof. Coburn's connection with the institution is not such as to in any way interfere with the discharge of the regular duties of his office. No pains will be spared, on the part of the Faculty and Trustees in sustaining the high reputation the institu-tion has hitherto enjoyed, and in rendering it more wor-thy of future patronage and support.
