Hemmer, Feller, Binder & Tucking guage, combined, \$5.

The reputation of this Machine is now fully established as the most reliable Machine in the market for family use, and has been attested too by thousands of the most respectable families in the Union.

This Machine makes the celebrated "Double Lock Stitch," the only one made by machinery that meets all the requirements of Family Sewing. Each stitch is tied twice, so that every one is securely fastened and wholly independent of all the other stitches for strength, so that if the seam is cut or every fourth stitch broken, the sewing must hold good while the fabric will wear. The machinery which makes this stitch is a marvel of simplicity, requiring no mechanical skill to manage it, nor does it require adjustment more than the mere change of thread and needles to adopt it to the character of the work to be sewed—coarse or fine as the case may be. It will sew ganze laces, and all varieties and kinds of fabrics between and including heavy beaver cloth, without changing either needles or thread equally well, and return to either variety of work with perfect satisfaction. No other Machine ever offered to the public will do as much.

A perfect Sewing Machine, one making a stitch an-

much.

A perfect Sewing Machine, one making a stitch answering all the requirements of the family, sewing coarse and fine work equally well, was the great desideratem of the home circle, previous to the invention of Edwin Clark's Revolving Looper. The stitch is beautiful, trong, and elastic, and will not rip in wear or in accidental breaking a thread. dental breaking a thread.

Every Machine is warranted to give satisfaction or the money refunded. We have a large list of references but will give the names of only a few:

and on the most favorable terms.

Having secured, permanently, the services of Mr. H.

and having added extensively to the fixtures of the concern—giving greater facility than formerly—we can present to the public the most positive assurance of our ability to please our patrons.

\*\*Book Customers should be particular to remember that
the "Argus Bindery," is in the Argus Building, as formerly, (first building north of the Ward House) and is connected with our Book and Stationery Store and Printing

CAUTION.—We are compelled in justice to ourselves,
and our old customers, as well as to prevent an imposition
upon the public generally, to caution them against a sort
a concern, that falsely holds out to the public that it is
the Argus Bindery. This fraud is practiced no doubt,
with a hope of deluding the Public. Against this bold
and deliberate attempt to deceive, they are hereby cantioned.

THE subscriber having withdrawn from the Argus building would respectfully inform the public that he has removed his Plain and Fancy Bindery to the North Room of the Ward House, formerly occupied by the Post Office, where he is now prepared to bind all kinds of Books in the most approved and workmanlike manner. Having to share my profits with no second person I flatter myself that my prices will meet the satisfaction of the public. public.

CAUTION.

"To be, or not to be—hat is the question! Whether its nobler in the mind to suffer The slings and arrows of outrageous opposition. Or by taking up arms against a sea of printing ink, And opposing, end them."

The proprietor of the Argus takes occasion in advertising his Bindery to indulge in an uncalled for fling about a "sort of a concern," which is hoping "to delude the public." As I have opened a Bindery on my own account, the inference is that if the public bring their binding to me, they are in no danger of being defrauded. For two years I have worked for Mr. Parsons, and he has taken great painst satisfy the public I was the "best Binder in America," as the columns of the Argus will testify. Has he been all that time "deluding the public?" If I have been engaged in a fraud, he has been the principal. But I refer to my work during that time as evidence that there has been no fraud practiced.

Having served a long apprenticeship at the Bindery business, I have resumed business here on my own account, as I know of nothing which prevents me from following a legitimate and bawful calling for my support.—I shall endeavor by good work and attention to my business to give public satisfaction.
