In the end the South will be the better for this trial. It will make her producing classes more suspicious of the reckless tribe of politicans to whom they have confided their political interests; it will force them to a retricted expenditure for a season, which will help to repair the losses sustained from their bad crops, and it will give a healthy adaantage to those merchants whose reputation will not be affected by any temptations which any imaginable state of affairs after the election pre-

DIPTHERIA AND ITS CURE-SIMPLE AND EF-FICACIOUS REMEDY FOR THE DISEASE.—The sin-gular disease which has thus far seemed to timed by the grain crops. baffle the skill of our best physicians, has become so prevalent and has been so generally fatal, that any suggestion in regard to its cure will hardly prove uninteresting. Its causes are not known, and therefore all treatment has heretofore been merely experimental; but its pathognomonic symptoms are so diversified and head off at Providence, R. I., recently. dissimilar, that in many instances the throat of the patient closes, and he dies before his dis- tor, Sir Henry Holland, to look after the health of the far as heard from :cease has been discovered.

The diagnostic by which it is known from other complaints of the throat, as the formation of a membrane, which increases gradually until the patient is literally strangled to death. It is sometimes accompanied by ulceration, and extreme prostration of the entire system, and | 000. at others by neither of these symptoms, yet in either case it is equally fatal. To arrest the came is bair shawls valued at one hundred and fifty thouformation of this membrane would therefore sand dollars. seem equivalent to curing the disease, and this in most instances may be done in the following and good housewives are certain to put up all they can.

In the early stages of the complaint which is always accompanied by a soreness and swelling of the throat, let the patient use a simple solution of salt and water, as a gargle, every fifteen minutes. At the same time moisten a piece of flannel with a solution of the same receives five hundred dollars per night. kind, made warm as the patient can bear it. and bind it around his throat, renewing it as often as the gargle is administered, and in the meanwhile sprinkling fine salt between the flannel and the neck. Use inwardly some tonic or stimulant, and either separately, or if the postration be great use both together. The treatment, as may be seen, is extremely simple and, if used in the earlier stages of the disease will effect a complete cure. - Cincinnati Daity Press, September 27.

SHOCKING AND FATAL ACCIDENT.—An awful accident occurred on Friday, the 21st inst., in the town of Victory, Caynga bounty, N. Y. The wife of Mr. Charles Sayre, while in the operation of kindling a fire, poured a quantity of burning fluid on the fael in order to ignite it the more readily. The moment fire was applied a puff of wind swept the blaze over the can containing the fluid, which had been placed in close proximity, and it instantly exploded, throwing the contents over her person. Her cries for assistance brought her husband to the spot, who at length succeeded in extinguishing the flames, but not until she was burned in a horrid manner. She lingered two days in great | Prison for life. agony and expired.

sufficient warning to those who will persist in waist of a woman whom he met. It costs some fellows the imprudent use of burning fluid.

trunk arrived at Mr. Edward L. Lloyd's, last and ran, dashing his head against a tree and killing him week, from Nebraska, which contained at this self instantly. end of its journey an article evidently not put into it at the other end. It was an old fashioned hair trunk, and in the top was a hole, probably cut by rats. After it had remained in the house two or three days some of the family came a good-sized prairic rattle-snake. His of money to be distributed among the various educationsnakeship was of the western stripe, and had al Institutions in Canada. probably ensconced himself in the trunk before It left Nebraska. After a brief survey of the invited to the Prince of Wales Ball in New York, that east, for the fatigue of his long journey, his fears are entertained that the ladies will not have a suffihead was "bruised." -- Williamsport Gazette. | ciency of partners.

Republicans! now for the great battle to rescue the Government from the dominion of the Slaveocracy! We have done well, but we can do better. Our vote was not all polled on Tuesday last. We must lose no time nor exertions to make certain of the victory within our grasp. Bradford Such a dreadful affair as this should be a has had to pay ten dollars for putting his arm around the can easily give 5000 majority for the Railsplitter over Fusion of every kind-Squatter-sovereignty, Secession, Bell-ringers, and what not. Shall it be done?

THE TONNAGE TAX CASE DECIDED .- The Supreme Court, at Sunbury, on Wednesday, delivered an opinion, affirming the discision of Judge Pearson, in the suit against the Pa. R. R. Co., for the tonnage tax overdue. Judge the Supreme Court, in affirming the decision, have thus decided that point against the railby the company into the State Treasury.

The Pony Express, with San Francisco dates of Sept. 26, arrived at St. Joseph on Sunday night. The Government dry dock at Mare Island had been destroyed, by accident, and it would cost \$200,000 to repair it. The new copper mines of Del Norte County gave evidence of immense wealth. There was no new feature in the political canvass of the State. The mining accounts are encouraging. The latest dates from Oregon state that the Senate continued adjourning from day to day without a quorum. The House had invited Joint Convention to ballot for United States Senators. The determination of the Senate was very encouraging. An arrival from Japan at Victoria brings information that the French Minister at Yeddo had resigned, being unable to effect anything with respect to the treaty.

We have some additional European news by the stamer Connaught, which arrived at St. John's Thursday. The King of Naples was supposed to be still at Capua, which town was barricaded and armed for resistance. Garibaldi had declared that there was an irreconcilable difference between his policy and that of Count Cavour, and Victor Emanuel is said to have determined to go to Naples for the purpose of having a personal interview with Garibaldi. The arrival of Gen. Goyon at Rome had determined the Pope to remain Actuary Cosmopolitan Art Association, 546 Broadway, there. A proclamation in Hungary, and the New York. garrisons were replaced on a war footing .-Austria had concentrated a great force on the Po, increased the military at Pistolo, and restripted the use of arms in Venetia. The French commander in Syria expresses the opinion that Syria will require foreign occupation for at least two years. The City of Baltimore, which passed St. John's yesterday afterwere unchanged. The Garibaldians were preparing to attack the Neapolitans on the hights of Nolturno. The Sardinians were bombarding Ancona by land and sea, and making further advances in the interior. Breadstuffs were buoyant and advancing.

THE STATE FAIR last week, at Elmira, was viz :greatly diminished in numbers and attraction received at Troy and Waverly, we learn by the bad weather which prevailed most of the intelligence that CURTIN is elected the time. Neverthless, it was in many respects Governor by a large majority, probably a great success. Fifty thousand people visit-25,000. The details are not sufficiently ed the grounds during the week, and all parts accurate to publish a list of counties, but of the State were represented. This, it will great political movements in this country. be understood, does not include the third ward of our village, which lies in the town of Southport. The population of the town, which embraces very few inhabitants outside the corporation limits, is considerably less than the population of the village.

Two persons reside in the town who are over 100 years of age. A Mrs. Smith in the west part of the town who is 101 years old, and FOX, in the 44th year of his age. part of the town who is 101 years old, and Charles Gray, a colored man, residing within the limits of the corporation, aged 102 years. The population of Elmira in 1855, as shown

by the census returns of that year, was 8,486. Southport now contains a population of ,728; in 1855 it was returned at 4,479.-

THE PIKE'S PEAK SILVER MINES .- The Denver City correspondent of the St. Louis Bemocrat writes that the excitement in relation to the alleged discovery of silver mines is very great. The gold leads are being deserted, and stories are told of silver ore so rich as to yield \$9,000 to the ton. Mr. Hedges, formerly of Cincinnatti and others have sent east for silver furnaces : and it is generally believed that the supply of the metal is exhaustible.

WHAT ENGLAND WILL Do .- It is the opinion in diplomatic circles that England, who is watching with with intense interest the Continental movements, will aim to maintain her ascendency as the leading Liberal Power of road company. There is a large sum of money Europe by uniting with France, should Prussia due the State, which will now have to be paid and Russia join Austria to recover lost ground

MARRIED.

In Burlington, by Rev. Alexander Lane, on 3d inst., S. P. GUSTIN, to Miss CYNTHIA RUNDELL, daughter of Rev. L. M. Rundell, all of Burlington.

The deceased was one of our most respected and wo hy citizens. Possessed of an amiable disposition and a liberal spirit, and united with one who appreciated his excellencies and reflected them in her own character, we know not another who seemed to have more to live for than he. But the disease from which he had suffered less or more from for many years, of late assumed a virdence which no means employed could counteract.

It was painful to give up wife and child and friends but he obtained help from above, not only to relinquish these cheerfully, but to regard this life as an exiles; and dying was but going home!' " Be ye also ready."

At Troy, October 5, 1860, after a short illness, ALICE MAYO, only child of CHARLES C. and ELIZA PAINE. Weary and sad thy absence now, O. little bird, that nestled close Within thy mother's heart, for one short year— But now hast flown!

The lark at early suprise soars The lark at early subrise soars
With sweetest song, toward Heaven—
So hast thou gone
Unto thy Savior's home on high—
Fond hope! to meet thee there again—
But weary is thy absence now!

Tuscarora, September 26, 1800, SYBIL L. daughter of LUTHER L, and ARLETTA KERNEY, aged 17 years and 2

Hope looks beyond the bounds of time. Where what we now deplore Shall rise in full immortal prime, And bloom to fade no more

Dem Adbertisements.

# GRAND CONCERT

MRS. LINDSAY.

THE SCOTTISH SOPRANO, respectfully intimates to the citizens of Towanda, her intention of giving a Concert at the Court House, Tuesday Evening, Oct. 16 when she will be assisted by her brother Mr. J. ROY FRAZER, Tenor, and Mrs. ELIASON, of Elmira, Pian-

#### st. For particulars see Programme. Tickets 25 Cents. LADD, WEBSTER, & CO., IMPROVED TIGHT STITCH

# Sewing Machines!

DRICES reduced to \$50 and apwards, for Families and Manufacturing establishments. Let Manufacturers, Planters, Farmers, Housekeepers, or any other persons in search of an instrument to execute any kind of kind of Sewing now done by machinery, make sure they secure the best, by examining ours before purchasing.

A few of mady reasons why the SEWING MACHINES of LADD, WEBSTER & CO., are prefered above all

thers

1. They are so remarkably simple in their construction.
child can operate them and understand the mechanism
2. They are the strongest Sewing Machine made. It is
most impossible to break or get them out of order.
3. They are sure in their operation; finishing the
model in a uniformly neglect are neglect in a uniformly neglect.

work in a uniformly perfect manner.

4. They make a tight lock stitch, alike on both sides of the work, which cannot be unraveled.

5. They stitch, hem, bind, fell, run and gather, with-

5. They sew equally well the lightest and the heaviest They sew over the heaviest seams without changing

tension or breaking the finest thread.

They use any No. of Cotton, Thread or Silk directly om the spool.

9. They use a straight needle; curved ones are liable

5. They use a straight needie; curved ones are liable to break.

10. The needle has a perpendicular motion. This is absolutely necessary for heavy work.

11. They have a wheel feed; none others are in constant contact with the work.

12. They run easily and almost noiseless.

13. They are not liable to oil the dress of the operator.

14. They do not require a screw-driver to set the needle.

15. They do not have to be taken apart to oil or clean.

16. They are capable of doing a greater range of work and in a more perfet manner than any other Sewing Machine; as is proved by the result of our challenge to a trial, which has never been accepted.

B. F. SHAW.

Towanda, Oct. 10, 1860,
