Messrs. S. W. Fowler & Co., Boston,—

In the fall of 1847 I took a severe cold, which settled upon my lungs, where it remained without relaxation. I tried several kinds of medicine and consulted several physicians, but received no benefit. The fall of 1846 found me completely prostrated—confined to my bed with the same severe cough, accompanied with severe pain in my side, profuse sweats and restless nights. My family and friends as well as my-elf, supposed my time to die had come At this crisis I sent for a bottle of Wistar's Balsam of Wild Cherry. and wonderful to relate, before I had used the first bottle my cough had greatly subsided, my night sweats had left me, my appetite returned, my pulse became regular, I slept soundly, and was soon able to be out and attend to business. I then consulted an able physician in relation to the course I had pursued and the medicine I had taken; he advised me to continue to use the Balsam, which I did, and found myself a well man; and now, at an age exceeding fifty years, enjoyed as good health as ever before.

Wherever, during the last ten years, I have found an individual suffering from cough, I have always r commended the Balsam, and, In numerous cases, have sent it gratuitously to the suffering poor. In conclusion, I would say what I have said a great many times before, that the Balsam, with God's blessing, saved my life.
