

LOCAL AND GENERAL.

UNDEER.—The violent wind on Thursday evening, unroofed the Mehopy bridge at that village.

The Bradford Herald of last week contains an announcement of suspension of its publication for the present.

The late fresh injured the North Branch Canal about two miles above this place, by tearing out the towing path. The damage will be repaired by the opening of navigation.

The Luzerne Union says.—We learn from Mr. Parish, Secretary of the Wyoming canal, who has just returned from a trip along the line, that the canal has suffered but slightly. No damage has been done that cannot be repaired in a week. It is the intention to open the canal this year a little earlier than last season—possibly about the middle of March.

HARVEY G. BREWSTER, Collector for the Town of Barton, died very suddenly in Waverly, on Thursday morning 17th inst. He had formerly been afflicted with throat disease, and by improper use of Mercurial preparations, but as he was a man of a noble and generous nature, he was not deterred by the attacks of his disease he had a very severe attack and died in a very few minutes.

An unusual interest is now being manifested in this place upon the subject of religion. Meetings are held every evening in the Methodist and Baptist churches, which are well attended, and have met with a good degree of success.

Some new remedial agents—composed of the active principles of our most choice indigenous plants—divested of crude and inert substances—isolated by chemical processes into purity and introduced by practical Chemists and Herbalists for a mild, safe and reliable family physic, are offered to the public, bearing the name of Dr. FORTMAN'S EUCALYPTI PILLS, prepared solely at his Drug Store, corner of Main and Pine streets, Towanda, Pa. The Eucalypti Pills do not contain Calomel or any other Mercurial preparation, but are intended to give relief to the various affections in which mercurial is so successfully indicated without incidentally inflicting their deleterious results. During the season of Throat and Lung complaints, they should be given in connection with Dr. FORTMAN'S Pectoral Syrup, or when the Stomach or Liver is deranged, the pills should be given in connection with Dr. FORTMAN'S Tonic Elixir.—When thus used their wonderful power is apparent in the restored digestion, in the healthy action of the Lungs, Liver, Stomach and Bowels, in the return of physical and mental energy, and in the confidence and cheerfulness of mind which depend upon the healthy discharge of the proper functions by all the organs of the bodily constitution.

The Oxygenated Bitters. The qualities of this medicine has placed it upon an imperishable foundation. In destroying disease, and inducing health, it has no parallel.

For the following Complaints these Bitters are a Specific: viz.—Dyspepsia, or Indigestion, Heart Burn, Acidity, Costiveness, Loss of Appetite, Headache, and General Debility.

In many sections of our country this preparation is extensively used by physicians in their practice, and it seems to have restored many to health who were apparently beyond the reach of the healing art.

Richmond, Toiga Co. Pa., Aug. 25, 1858. Messrs S. W. FOWLE & Co., Gentlemen.—After suffering for thirty years with Dyspepsia, and trying many remedies recommended for that disease without any good result, I was induced by Dr. F. H. White to give the OXYGENATED BITTERS a trial. I took two bottles, which gave me much relief; I concluded to try two more, which have nearly or quite effected a cure.

FROM DR. WHITE. I have used the OXYGENATED BITTERS in my practice with decided success in debility and general prostration, and confidentially recommend them in general debility and diseases of the digestive organs.

Prepared by SETH W. FOWLE & CO., Boston, and for sale by J. G. PATTON and Dr. H. C. PORTER, Towanda; The Drug Store, Smithfield; JOHN MATHEWS, Ulster; G. A. PERKINS, Athens; J. F.
