Ayer's Sarsaparilla.

A COMPOUND REMEDY, designed to be the most effectual Altergree that can be made. It is a concentrated extract of Pars Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the discases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:

SCROFULA AND SCROFULOUS COMPLAINTS, ERUPTIONS AND ERUTIVE DISEASES, ULCRES, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM, SCALD HEAD, SYPHILIS AND SYPHILITIC AFFECTIONS, MERCHALL DISEASE, DUODSY, NEURALGIA OR TIC DOULOUREUX, DEBIETY, DYSPEPSIA AND INDIGESTION, ERYSIFELAS, ROSE OR ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPCRITY OF THE BLOOD.

INDIGESTION, EAVSIPELAS, ROSE OR ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of cruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, cruptions, or sores; cleanse it when you find it is obstructed and sluggish in the vebs; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health: Sooner or later something must go wrong, and the grea machinery of life is disordered or overthrown.

Sarsaparilla has, and deserves much, the reputation of accomplishing these ends. Rut the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for

giously deceived by preparations of it, partly becaus the drug alone has not all the virtue that is claimed fo

goosly deceived by preparations of it, party because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or anything else.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to secupe their complete eradication from the system, the remedy should be judiciously taken according to directions on the bottle.

Prepared by Dr. J. C. AYER & CO., Lowell, Mass.—

Aver's Cherry Pectoral.

Has won for itself such a renown for the cure of every variety of Throat and Lung Complaint, that it is entirely unnecessary for us to recount the evidence of its virtues, wherever it has been employed. As it has long been in constant use throughout this section, we reed

cern—giving greater facility than formerly—we can present to the public the most positive assurance of our ability to please our patrons.

2Customers should be particular to remember that the "Argus Bindery." is in the Argus Building, as formerly, (first building north of the Ward House) and is connected with our Book and Stationery Store and Printing Office, where all work should be delivered.

CAUTION.—We are compelled in justice to ourselves, and our old castomers, as well ast to prevent an imposition upon the public generally, to caution them against a sort a concern, that falsely holds out to the public that it is the Argus Bindery. This fraud is practiced no doubt, with a hope of deluding the Public. Against this bold and deliberate attempt to deceive, they are hereby cautioned.

***2**Particular attention paid to re-Binding.** All work guarranted. Country Produce of all kinds taken in payment

and take no others. The sick want the best aid there is for them, and should have it.
