

LOCAL AND GENERAL.

HARRY MIX of this place, has been appointed Clerk in the Auditor General's Office, at Harrisburg.

An aqueduct on the canal, a few miles above this place, broke one day last week, which stopped navigation for a few days. It was speedily repaired and boats are passing as usual.

The Bradford County Medical Society, will meet in the Borough of Athens, on Wednesday, the 27th inst. All regular physicians are requested to attend. E. H. MASON, Sec'y.

NORTH BRANCH CANAL.—There is an immense business doing on the North Branch Canal, the present season. We are informed that the business is more than double what it has been previous years. The Barclay Coal Company find it difficult to supply the demand. There are now twelve or fifteen boats laying at the place, waiting for loading.

SPECIAL ELECTION.—GOV. CURTIN has issued his proclamation naming Saturday, the 7th June, for holding a special election in the Luzerne Congressional district, to elect a Member to fill the vacancy occasioned by the death of Hon. Geo. W. SCRANTON. If two candidates enter the field, the Democrats will probably present Hon. HENRICK B. WARD, and the Republicans Hon. W. W. KETCHUM.

ALMOST A FIRE.—On Wednesday night of last week, about 12 o'clock, the alarm of fire was sounded through our town. In a few minutes the streets were thronged with citizens, wild with excitement, and as no light was visible, the general enquiry was "where is the fire?" It was soon ascertained, however, that the alarm proceeded from the house of Mr. N. J. KEELER, on State street. A few buckets of water sufficed to extinguish the flames, which proceeded from a bed-room in the second story of the house. The bedding and bedstead were considerably damaged. Farther than that no material injury was done. We did not learn how the fire originated.

The mooted question, "How to keep cool?" has at last been settled. Art and Science have triumphed over the sultry rays of "old Sol." After protracted study and close application, an antidote has at last been discovered, availing themselves of which, mankind can laugh to scorn "the hot and sultry atmosphere of summer, and repose in the shade of science," in a well-ventilated over coat, unconscious of the mercury standing at 100°. This antidote invariably proves effective, and is "not bad to take." It can be obtained, at BRANK'S, in the shape of delicious ice-cream and ice-cold Lemonade. Give him a call.

A meeting of the officers of the different Companies now at Camp Curtin, was held on the 30th inst. for the purpose of correcting misapprehensions then existing in different localities, as to the real condition of things at that Camp. Among the resolutions that were passed, were the following, signed by twenty-seven different Captains. We notice Capt. GORR's name among the subscribers.

Resolved, That we, officers of the several Companies now at Camp Curtin, do solemnly declare that the food and quarters furnished our men is excellent in quality and abundant in quantity.

Resolved, That his Excellency, Gov. CURTIN, is entitled to, and we hereby tender our hearty thanks, for his excellent and efficient exertions to make our situation as contented and pleasant as the emergency of the circumstances could possibly permit.

HARD TIMES.—People are complaining of hard times. Well, the times are hard and money scarce, but there is a great deal of business doing and some money in circulation. Almost every body who has a desire to labor can get employment of some kind and receive a fair compensation for it. We notice some of our townsmen, who are complaining of hard times, in order to draw the sympathy of it, we suppose, get a great deal of sympathy and money market. That is the class of individuals who really suffer from "prostration" of business.

ASSISTANT SURGEON MADILL.—The Owe Gazette, in referring to the appointment of Dr. W. A. MADILL, formerly of this place, now of Elmira, as an Assistant-Surgeon of the Southern Tier Regiment, says: "Mr. Madill is a brother of Geo. A. MADILL, Esq., of this place, partner of Hon. John J. TAYLOR, and a young lawyer of brilliant talents. Two more brothers among the "Pointers of Pennsylvania," making three in all—a pretty good offering for a single family to the cause of the country."

The Boston Traveller states that most of the recruits for the volunteers are from four to six weeks short! Whereupon some well perpetrated the following: Like a man without a wife, Like a ship without a sail, 'Tis not so useless thing in life As a shirt without a...

HATVELOCK CAP COVERS.—Some ladies in town were busily employed last week, in manufacturing for the Bradford soldiers a new article of head-gear, called "Havelock's," so named from having been worn by the soldiers under Gen. HAVELOCK's command in India. The "Havelock" is a plain cap, high in the crown, made of thick white linen, and having a cape which falls to the shoulders, covering the neck and ears, and with a long tassel hanging from the greater part of the face. The value of this cap as a security against sunstroke, was satisfactorily proved by the British troops in the Sepoy rebellion, and will prove a great blessing to our men in the Southern climate. This is a commendable work on the part of the ladies, and we are sure that their reward will be many an honest and fervent "God bless them!" from the brave boys for whose comfort they have been laboring. The ladies feel for the soldiers and never forget their wants.—They are their Ministering-angels, and in all parts of the country they have shown a devotion unparalleled in any age, in ministering to their various wants, and those of our borough are not behind any of them in their devotion.

CAMP CURTIN, Harrisburg, June 6, 1861. At a meeting of the Towanda Rifles, in Camp Curtin, June 6, 1861, the following resolutions were read by Lieut. R. B. McKean, and unanimously adopted by the Company. Three cheers and a tiger were given with a will, for the ladies of Towanda.

Resolved, That the thanks of the Company are hereby tendered to the ladies of Towanda, who have so kindly and generously sent us the means to furnish us with woolen caps, which we have now received. Also, in sending us the Havelock's, to protect us from the heat of the sun. The motives through which they were furnished are daily and most gratefully appreciated by us—we believe that the kindness that the citizens of Towanda have bestowed upon us, and that they can rest assured that when the hour comes for us to strike a blow for the rights of our country, we will endeavor to sustain the patriotism of the County which we represent.

Resolved, That these resolutions be published in the Bradford papers.

Resolved, That we will ever hold in kind remembrance the many acts of kindness that the citizens of Towanda have bestowed upon us, and that they can rest assured that when the hour comes for us to strike a blow for the rights of our country, we will endeavor to sustain the patriotism of the County which we represent.

BOOK-KEEPING AND PENMANSHIP.—Mr. C. EATON, formerly of this place, now of New York, while on a visit here, has been induced by his friends to instruct a class in the important branches of Book-keeping and Penmanship. Mr. Eaton has the reputation of being an excellent teacher, and we advise all who desire a knowledge of these branches to give him a call. His school will commence Thursday evening, June 13th, at Alpha Episk'n Hall.

The following is an extract from a letter received from an officer of the Bradford Rifles, acknowledging the receipt of shirts and Havelock's furnished by the ladies of Towanda: "The ladies of Towanda" will please accept our most sincere thanks for the many favors shown us, and we hope that we can in some future day repay you by rendering to you a good account of our services in maintaining the Stars and Stripes of our glorious Union, which we intend to do, if God spares our lives."

UNION MEETING IN WARREN.—A large and patriotic gathering of the citizens of Warren, was held at the residence of ROBERT COOPER, Esq., on Monday, June 3d, 1861. It was previously announced that Mr. COOPER intended to raise a flag, at his own expense, and the people rallied heartily and with one accord, to assist in unfurling the glorious emblem of liberty—the flag of our whole country.

The meeting was opened with prayer by the Rev. HENRY BARNS. Several young ladies then came forward, and with a long pull, a strong pull, and a pull all together, raised to the breeze the Stars and Stripes, amid the enthusiastic cheers and booming guns of the assembled multitude.

The Rev. Mr. ALVORD was then announced, who made an able and eloquent appeal to his Union-loving fellow-citizens, both North and South, to preserve the Government in its strength. As the God of Battles could never sustain the arm of the traitor, the rebel and the oppressor.

The choir was then announced and sang the glorious old song "Hail Colum bia." The Rev. Mr. BARNS, then followed, and in an earnest and forcible manner showed the relation existing between the North and South. He proved that slavery was wrong in the abstract, and incompatible with the life and prosperity of a free government. As the speaker concluded, the choir sang the spirited song "The Flag of our Union."

CAPT. ANDREW DEWING was then called—he responded in a few pertinent remarks, which were heartily applauded.

CYRUS COOK, Esq., of Orwell, was then called on; he spoke of the impending crisis and showed how it must be met. Another patriotic song closed the exercises of a day long to be remembered by the citizens of Warren.

Headache is not of itself a disease, but only a certain symptom that an unhealthy condition or derangement of some organ exists, or that unhealthy humors irritate the system which becomes apparent through nervous sympathy by the appearance of headache, which manifestation is a warning of approaching disturbance or sickness, and perhaps danger, and a signal to the sufferer to fortify the system to resist the threatened attack.—Therefore headache being a concomitant of nearly every affection, should be relieved without delay, by the use of Dr. POMRAN'S Electric Pills, which will remove the cause or fortify the system so as to avert the danger of serious results and cause a permanent cure.

Dr. POMRAN'S Electric Pills are for sale wholesale or retail, at the Drug Store, corner of Main and Pine streets, Towanda, Pa. Medicines.
