COL. J. F. MERANS, of Towanda, as a Candidate for Representative at the coming election. Col. MEARS has fully and trankly met the spirit of the meeting which appointed us, by a prompt assent to serve his constituents, it elected, for the old compensation of three dollars per day—an arrangement which the other Candidates named, have evasively declined. Those electors who are honesitly in favor of economy and a reduction of sularies, in this dreadfall period of depression and taxation, have now an opportunity of supporting that principle. Col. MEARS having not only engaged to serve himself, for the old per diem compen-sation, but pledges himself to use every effort for a gen-eral reduction of salaries to former and more economi-cal rates. A S YOU WILL HAVE SEEN, BY THE announcement of the nominating Committee ap-pointed at the Mass Meeting held at Towanda, on the 3d ult, 1 have consented to allow my name to be presented for your consideration as a candidate for Representative in the next Legislature. It is due, alike to my friends and myself, that I should state the single definate pur-pose which induced this consent at the present moment. We are in the midst of a struggle which involves the life or death of our glorious Republic—if our present form of government shall be blotted out, the brightest hope of man, in all the world, will have perished with it. This is an hour then, which calls for every effort that honest and patriotic citizens of ALL parties in the north can make, to save the rich legacy of our fathers, and transmit it nimparied to our children. We are giving up sons and brothers and friends on every hand who go to bare their bosons, and risk their lives, in the deadly strift of battle. We are pouring out our substance in every form,
