This a new Machine, and has not before been introduced into this region. It has no endless chain straw carrier, but separates all kinds of grain thoroughly from the straw, by a combination of Pitts' Endless Canvass Celled Apron, a new Improved Revolving Picker, and the well known Vibrating Riddle. It is a simple, durable and efficient Machine, will thresh rapidly and clean thoroughly, without wasting, all kinds of grain. It will not choke, run easily and steadily, without jumping, and is warranted to be superior to the common Rake Cleaner now in use. It remains only to be seen and tested, to be pronounced by every experienced hand at threshing, to be an admirably contrived and constructed Thresher and Cleaner.

Ayer's Sarsaparilla.

A COMPOUND REMEDY, designed to be the most effectual Allecaine that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power' as to afford an effective antidote for the discases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:

SCROFICIA AND SCROFICIOS COMPLAINTS, ÉRUPTIONS AND ERUPTIVE DISEASES, ULCRES, PIMPLES, BLOTCIES, TUNORS, SALT RIEGM, SCALD HEAD, SYPHILLS AND SYPHILLA CAFFECTIONS, MERCURIAL DISEASE, DROFSY, NEURALGIA OR THE DOUGLOCREEX, DEBERTY, DYSFERSIA AND SYPHILLA FOR DEAD OF STREE, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the fool humors wnich fester in the blood at that season of the year. By the timely expulsion of them many rankling disoeders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eroptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it when you find the solvent of the parameter of the solvent of the structure of sarsaparilla, and line veins, it is also of the solvent of the solvent of the object of the para
