EMERY'S

Celebrated Threshing Machines,

EMERY'S ONE AND TWO HORSE POWERS, are from me, and I will only say that they continue to deserve the reputation they have enjoyed for ten years of being the "best Endless Chain Horse Power in use." These Powers possess conveniences and advantages possessed by no other power.

EMERY'S NEW PATENT THRESHER AND CLEANER This a new Machine, and has not before been introduced into this region. It has no endless chain straw carrier, but separates all kinds of grain thoroughly from the straw, by a combination of Pitts' Endless Canvass Celled Apron, a new Improved Revolving Picker, and the well known Vibrating Riddle. It is a simple, durable and efficient Machine, will thresh rapidly and clean thoroughly, without wasting, all kinds of grain. It will not choke, run easily and steadily, without jumping, and is warranted to be superior to the common Rake Cleaner now in use. It remains only to be seen and tested, to be pronounced by every experienced hand at threshing, to be an admirably contrived and constructed Thresher and Cleaner. This a new Machine, and has not before been intro-

THE proprietor of the Argus takes o casion in adver-THE proprietor of the Argus takes o casion in advertising his Bindery to indulge in an uncalled for ding about a "sort of a concern," which is hoping "to define the public." As I have opened a Bindery on my own account, the inference is that if the public bring their binding to me, they are in no danger of being defraude. For two years I have worked for Mr. Parsons, and he has taken great pains t satisfy the public I was the "best Binder in America," as the columns of the Argus will testify. Has he been all that time "deluding the public?" If I have been engaged in a fraud, he has been the principal. But I refer to my work during that time a evidence that there has been no fraud practiced. Having served a long apprenticeship at the Bindery business, I have resumed business here on my own account, as I know of nothing which prevents me from following a legitimate and bas full calling for my support....

I shall endeavor by good work and attention to my business to give public satisfaction.
