EMERY'S

Celebrated Threshing Machines, EMERY'S ONE AND TWO HORSE POWERS, are too well and popularly known to need any description from me, and I will only say that they continue to deserve the reputation they have enjoyed for ten years of being the "best Endless Chain Horse Power in use." These Powers possess conveniences and advantages possessed by no other power.

EMERY'S NEW PATENT

THRESHER AND CLEANER This a new Machine, and has not before been intro-duced into this region. It has no endless chain straw duced into this region. It has no endless chain straw extrier, but separates all kinds of grain thoroughly from the straw, by a combination of Pitts' Endless Canvass Celled Apron, a new Improved Revolving Picker, and the well known Vibrating Riddle. It is a simple, durable and efficient Machine, will thresh rapidly and clean thoroughly, without wasting, all kinds of grain. It will not choke, run easily and steadily, without jumping, and is warranted to be superior to the common Rake Cleaner now in use. It remains only to be seen and tested, to be pronounced by every experienced hand at threshing, to be an admirably contrived and constructed Thresher and Cleaner.

EMERY'S IMPROVED THRESHERS & SEPARATERS are not excelled by any in market, are well constructed, simple and durable. I am prepared to supply all kinds

AGRICULTURAL MACHINERY at manufacturers prices and terms.
