HEAD QUARTERS 5th REG., P. R., Camp near Harrisson's Bar, James River, July 4, 1862. Sis: In accordance with Order No. - I have the honor to submit the following statement of the position and work of this Regiment in the recent battles near Richmond.

On Thursday, 26th June, the 5th Regiment, in connection with the 1st Rifles, usually denominated " Bucktails,' were detailed for picket along the Chickahominy ; early in the day, the enemy made his appearance on the right of our line, when a brisk skirmish was commenced and kept up until the afternoon, when the two regiments retired to Beaver Run, a small stream north of Mechanicsville. Our regiment was posted along the margin of a piece of woodland-skirmi hers thrown out in front and one company posted in a rudely constructed rifle pit, a little to the right and front of our right flank. I was put in command of the skirmishers and rifle pit; about 31 o'clock the enemy made his appearance in large force, when a terrific fire was opened and kept up until after dark, when the enemy retired leaving large numbers of killed and wounded on the field. The 5th Regiment lost in this engagement, 7 killed, 64 wounded and 12 missing. It would be hard to make any distinction in reporting the conduct of officers and men, in this engagement, as all behaved with the most consummate coolness and ,bravery. Our Regiment lay down on the field just in rear of our line of battle, but received an order about midnight to march, which we did and halted at "Gaines' Hill," and participated in the battle of the 27th ult. Our regiment was ordered to take a position near the right, which we took and held for nearly four hours, under a heavy fire of the enemy-out officers and men behaving with great cooness and courage. We were kept under fire until our ammunition was exhausted, when our right flank was attacked by a Brigade of the enemy and we were forced to retire, which we did in order. In this engagement we lost : killed, 5, (among whom was Capt. R. W. STURBOCK, Company F.) ; wounded, 44 ; missing, 6 ; most of our missing in both engagements, have since returned.

At the battle of the 30th ult., the 5th Regiment again occupied an important position. Col. SIMMONS of the 5th was in command of the 1st Brigade in place of Gen. RETNOLDS who had been taken prisoner on the 27th. The command of the Regiment was entrusted to me. Soon after the battle commenced I was ordered to charge the right with parts of the 5th, 8th, 9th and 10th ; the charge was made, the enemy routed and over a hundred prisoners taken. The troops engaged in the charge was rallied

Sarsaparilla hes, and deserves much, the reputation, of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the vir-tue of Sarsaparilla, or any thing else. During late years the public have been misled by large

bottles, pretending to give a quart of Extract of Saras-bottles, pretending to give a quart of Extract of Saras-upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Still we call this compound Sarsaparila, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upoh it. And we think we have ground for believing it has virtues which are ir-resistable by the ordinary ron of the diseases it is intend-ed to crue. In order to secure their complete eradica-tion from the system, the remedy should be judiciously taken according to directions on the bottle. Prepared by Dr. J. C.
