ON THE TURE -The Waverly Advocate has the following notice of the trial of speed at the Athens Course on Saturday, the 16th inst.

The regular trotting match between G. C. Kellogg' Slow and Easy," and L. S. KINGSBURY'S ' Tom Thumb, came off at the appointed hour, and resulted in Tom Thumb's winning three successive heats. In Honduras, invalids afficted with Scrofula visit the streams that have drained from wild lands where Sarsaparilla grows. It is found that the waters become impregnated with the medicinal virtues of this drug and the nativre drank it, bathe in it, and live on it for weeks. Whatever its effects these " wateringplaces" have a reputation not inferior to our own Saratoga and great numbers surely obtain relief at them from the eruptions, ulcerations, and sores, which are so afflicting always to a half civilized people. Yet I find all classes have more confidence in Dr. Ayer's Extract of Sarsaparillia, than in the impregnated waters or any compound of the root that they can make. Those who can afford to buy it, do so, and it is in very general use ere, curing them surer and quicker than they can get relief without it. Not a few of our staple products go thus to foreign lands are there manipulated by scientific or artisan skill, and then come back for our consumption and use .- Correspondent of the Herald from Truxillo.

Ayer's Sarsaparilla.

COMPOUND REMEDY, in which we A COMPOUND REMEDY, in which we have labored to produce the most effectual alterative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to care. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted tellow-citizens. How completely this compound will do it has been proven by ex-

this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experinent on many of the worst cases to be found of the following complaints:—

SCROFULA AND SCROFULOUS COMPLAINTS, ERUPTIONS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TCMORS, SALT RHEUM, SCALD HEAD, SYPHILLS AND SYPHILLITIC AFFECTIONS, MERCURIAL DISEASE, DROPSY, NEURALDIA OR TIC DOULOUREUX, DEBILITY, DYSPEPSIA AND INDIGESTION, ERWSUPEL 48, ROSE OR ST. ANTHONY'S

Syphilitic Affections, Mercurial Disease, Dropst, Neuraldia or Rio Doulocreux, Debility, Dyspersia and Indicestion, Exysipelas, Rose or St. Anthony's Fire, and indeed the whole class of complaints arising from Industry of the Blood.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleases out the vitiated blood whenever you time its impurities bursting through the skin in pimples, cruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something most go wrong, and the great machinery of life is disordered or overthrown.

Sarsaparilla has, and deserves much, the reputation,

Sarsaparilla has, and deserves much, the reputation, of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the vir-

tue of Sarsaparilla, or any thing else.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsa-parilla for one dollar. Most of these have been frauda upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat and has become synonymous with imposition and cheat.
Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upoh it. And we thinh we have ground for believing it has virtues which are irnave ground for believing it has virtues which are irresistable by the ordinary run of the diseases it is intended to crue. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on the bottle.
