# Ayer's Sarsaparilla.

A COMPOUND REMEDY, in which we have labored to produce the most effectual altera-tive that can be made. It is a conventrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective an-tidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted, by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this is compound will do it has been proven by ex-periment on many of the worst cases to be found of the tollowing complaints :--

perinent on many of the worst cases to be found of the iollowing conplaints :--SCROFULA AND SCROFULOUS COMPLAINTS, ERUPTIONS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUXORS, SALT RHEUM, SCALD HEAD, SYPHILLS AND SYPHILITIC AFFECTIONS, MERCURIAL DISEASE, DEOPSY, NEURALGIA OR TIC DOULOUREUX, DEBILITY, DYSPERSIA AND INDUSENTON, ERVSIFELAS, ROFE OR ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from DEVENTY OF THE STREET ON.

AND INDIGESTION, ERVSIPELAS, ROFE OR ST. ANTBONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY of THE BLOOD. This compound wil be found a great promoter of health, when taken in the spring, to expel the foul hu-mors which fester in the blood at that season of the year. By the timely expulsion of them many ranking disor-ders are nipped in the bud. Multitudes can by the aid of this remedy, spare themselves front the endorance of toul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions. If not as-sisted to do this through the natural channels of the blood whenever you find its impurities bursting through the skin in pimples, cruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown. Sarsaparilla has, and deserves much, the reputation, of accomplishing these ends. But the world has been egregiously decived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the vir-

it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the vir-tue of Barsaparilla, or any thing else. During late years the public have been misled by large

bottles, pretending to give a quart of Extract of Sara-parilla for one dollar. Most of these have been frauda parilla for one dollar. Most of these have been frauda upon the sick, for they not only contain little, if any, Sarsagarilla, but often no curative properties whatever. Hence, bitter and paintul disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upoh it. And we think we have ground for believing it has virtues which are irhave ground for believing it has virtues which are in-resistable by the ordinary run of the diseases it is intend-ed to crue. In order to secure their complete eradica-tion from the system, the remedy should be judiciously taken according to directions on the bottle. Prepared by Dr. J. C. AYER & Co., Lowell, Mass.-

#### UNGRATEFUL.

There are men engaged in the unrighteous attempt to destroy the Republican party in this county who deserve peculiar condemnation. They are those who joined the party early and clutched at the offices within the power of the party to bestow, and having re alized all the advantages they expect to gain in that way, now tern round upon friends who have supported them and given them ell the political consequence they have ever obtained and use every effort to effect their political ruin. To day there are men snugly enjoying offices bestowed upon them by the Republican party, who are plotting-some of them openly and others secretly-its atter overthrow. We will not trust ourselves to characterize such conduct further than to say it is very ungrate-

THE Seccders style themselves the " People's Party," and claim to be in harmony with that party in other portions of the State. The genuine People's Party, wherever it has an organization, battles against the Democracy. It is, and has been for years, in harmony with the Republican party of the North and FALL West. The spurious "People's Party" of Bradford, organized by disappointed candidates for nomination before the Republican Convention, is in perfect accord with the Democracy, and relies on the united vote of the Democratic party to elect its ticket.
