Ayer's Sarsaparilla.

A COMPOUND REMEDY, in which we have labored to produce the most effectual alterative that can be made. It is a concentrated extract of Para Sarsāparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:—

Samuel L. F COMPOUND REMEDY, in which we

peltely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:—
SCROPULA AND SCROPULOUS COMPLAINTS, ERUPTIONS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEEM, SCALD HEAD, SYPHILLS AND SYPHILLTIC AFFECTIONS, MERCURIAL DISEASE, DROPSY, NEURALGIA OR TIC DOULDUREUX. DEBILITY, DYSPEPSIA AND INDIGESTION, ERYSIPELAS, ROSE OR ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year By the timely expulsion of them many rankling disor ders are nipped in the bud. Multitudes can by the aid of this remedy, spare themselves from the endurance of toul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, cruptions, or sores; cleanse it when you find it is obstracted and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

Sarsaparilla has, and deserves much, the reputation, of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed jor it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Streen exiletted.

egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed jor it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or any thing else.

During late years the public have been misled by large pottles, postending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any. Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescare the name from the bad of obloquy which rests upoh it. And we think we have ground for believing it has virtues which are irresistable by the ordinary run of the diseases it is intended to crue. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on the bottle.

Prepared by Dr. J. C. AYER & Co., Lowell, Mass.—Price, \$1 per Bottle; Six Bottles for \$5.

Aver's Cherry Pectoral, has won for itself such a renown for the cure of every variety of Throat and Lung Complaint, that it is entirely unnecessary for us to recount the evidence of its virtues, wherever it has been employed. As it has long been in constant use throughout this section, we need not do more than assure the people its quality is kept up to the best it ever has been, and that it may be relied on to do for their relief all it has ever been found to do.

"To be, or not to be— hat is the question! Whether its nobler in the mind to suffer The slings and arrows of outrageous opposition, Or by taking up arms against a sea of printing ink, and opposing, end them." THE proprietor of the Argus takes occasion in advertising his Bindery to indulge in an uncalled for diagnout a "sort of a concern," which is hoping "to delude the public." As I have opened a Bindery on my own account, the inforence is that if the public bring their binding to me, they are in no danger of being defrauded. For two years I have worked for Mr. Parsons, and he has taken great pains t satisfy the public I was the "best Binder in America," as the columns of the Argus will testify. Has he been all that time "deluding the public?" If I have been engaged in a fraud, he has been the Binder in America, a testify. Has he been all that time "deluding the public?" If I have been engaged in a fraud, he has been the principal. But I refer to my work during that time a evidence that there has been no fraud practiced. Having served a long apprenticeship at the Bindery business, I have resumed business here on my own actually business, I have resumed business here on my own actually business, I have resumed business here on my own actually business.
