le copied into the Reporter last week, regarding Stamps apon Judgment Notes, is not entirely correct and appli cable as applied to the common judgment note in use in this county. A note, containing a simple confession of Judgment, requires only the stamp provided by law, for promissary notes. But a judgment note, which contains authority " for any attorney of any Court of record to appear and confess judgment," is construed to contain a power of attorney, and requires a power of attorney stamp of \$1, besides the proper prommissary note stamp For the entry of Judgment by the Prothonotary no stamp is required.

Da. On Monday evening last the Towanda Temperance Society held a regular meeting at the Court House, which was ably addressed by Dr. PRATT, Rev. B J. DOUGLASS, and others. The pledge was again circu-lated and received many signatures. We hope the good work may continue, and the efforts of the Society be blessed with accomplishment of the great and permanent good it has view.

The next meeting will be held on the 9th February, and will be andressed by the Rev. JULIUS FOSTER.

A ROLLING STONE GATHERS NO MOSS. -Well, what of that? Who wants to be a mossy old stone, away in some dark corner of a pasture, where sunshine and air never come, for the cows to rub themselves against, and for snails and bugs to crawl over, and for toads to squat under, among poisonous weeds? It is far better to be a smooth and polished stone, rolling along in the brawling stream of human life, wearing off the rough corners, an I bringing out the firm chrystaline structure of the granite, or the delicate veins of the agate, or the chalcedony. It is the perpetual chafing and rubbing in the whirling current that shows what sort of grit a man is made of, and what use he is good for. The sandstone and soapstone are soon ground down to sand and mud, but the firm rock is selected for the towering fortress, and the diamond is cut out and polished for the monarch's crown.

The very best medicines in use among us are those prepared by Dr. J. C. Ayer & Co., of Lowell He is a graduate of the Penn. University, whose connection with that celebrated College of Medicine has conferred more distinction upon it, than its Diploma has upon him. His remedies have become household words ot only in the country, but in almost every region of the earth inhabited by man. Their extraordinary fame has risen from their extraordinary virtues, and these are certified by men of the highest station. We publish in our issue to-day, a document signed by the Mayors of the great eities in the United States, Canadas, Mexico, Peru, Chili and Brazil, each of whom certify that the physicians and druggists of their respective localities have given their assurance of the uniform good effects and superior virtues of Doct. Ayer's preparations. This
