Ayer's Sarsaparilla.

COMPOUND REMEDY, in which we A have labored to produce the most effectual alteraive that can be made. It is a concentrated extract of
Para Sarssparilla, so combined with other substances of
still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It
is believed that such a remedy is wanted by those who
suffer from Strumous complaints, and that one which will
accomplish their cure must have of immensa expine to accomplish their cure must prove of immense service to this large class of our afflicted tellow-citizens. How com-pletely this compound will do it has been proven by ex-periment on many of the worst cases to be found of the

pletely this compound will do It has been proven by excolor of the worst cases to be found of the

Body and Equipment of the worst cases to be found of the
following complaints:—
Scropula and Scropulous Complaints, Emuriona
Body and Equipment of Tumors, Salt Rheem, Scald Head, Syphiller and
Body and Indigestion, Errshpelas, Rose or St. Anthony's
Fire, and indeed the whole class of complaints arising
from largerity of the Body.
This compound will be found a great prometer of
the health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year
By the timely expulsion of them many ranking disor
ders are nipped in the bud. Multitudes can by the aid
of this remedy, spare themselves from the endurance of
foul cruptions and ulcerous sores, through which the
system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the
body by an alterative medicine. Cleanse out the vitiated
blood whenever you find its impurities bursting through
the skin in pimples, cruptions, or sores; cleanse it when
you find it is obstructed and sluggish in the veins;
cleanse it whenever it is foul, and your feelings will tell
you when. Even where no particular disorder is feit,
people eniov better health, and live longer, for cleansing cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is feit, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

Sarsaparilla has, and deserves much, the reputation, of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be

it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the vir-tue of Sarsaparilla, or any thing else.

During late years the public have been misled by large

porties, pretending to give a quart of Extract of Sarsa parilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which fleed the market until the name itself is justly described. the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upoh it. And we think we have ground for believing it has virtues which are irresistable by the ordinary run of the diseases it is intended to crue. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on the bottle.

Prepared by Dr. J. C. AYER & Co., Lowell, Mass.—
