COMPOUND REMEDY, in which we A COMPOUND KEMPD 1, it is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective anstillative and alterative power alterative power as to afford an effective anstillative power alterative power and alterative power alterative power as to afford an effective anstillative power alterative power alte still greater alterative power as to afford an effective antidate for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted tellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:

SCROFGLA AND SCROFLLOUS COMPLAINTS, ERUPTIONS AND EXPUTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEIM, SCALD HE D, SYPHILLIS AND SYPHILLIT AFFECTIONS, MERCURIAL DISEASE, DEOPSY, NECKALGIA OR TIC DOULDUREUX, DEBILITY, DYSPETSIA AND INDIGESTION, ERYSTFELAS, ROSE OR ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from Layrunty of the BLOOP.

Fire, and indeed the whole class of complaints arising from layerarry of the Blood.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bad. Multitudes can by the aid of this remedy, spare themselves from the endurance of toul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, cruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you find it is obstracted and sluggish in the venus, cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but the blood. Keep the blood healthy, and all is well; but the close of the Spring term.

of accomplishing these ends. But the world has been egregiously deceived by preparations of it/partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or any thing else.

Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescae the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistable by the ordinary run of the diseases it is intended to crue. In order to seeme their complete endication-from the system, the remedy should be judiciously taken according to directions on the bottle.
