HOLY WEEK AT THE CATHOLIC CHURCH, IN TOWANDA .- The holy week, or the week before Eas-Among other interesting letters which ter, was anciently called the Painful Week, or week of austrities, but it is now generally distinguished by the austerities, but it is now generally distinguished by the name of Holy Week, or the Great Week, on account of the merciful and great things wrought by God, and which we commemorate in it. St. Epiphanius assures us, that Christians, who had least fervour and zeal only eat bread cutting for those who wish it done. Christians, who had least fervour and zeal only eat bread with a little salt, and drank water once a day, at evening, all the week, and the more devout continued their fast for two, three, or four days without eating at all. Emperors and Princes at this time, often set prisoners at liberty, that they might imitate, as far as in them lay, If you wish to get the worth of your money, and buy nev the example of our Lord, who at this time delivered us from the bonds of our sins, and made us capable of enjoying unappreciable blessings. The Imperial laws of Theodesian fortests of the control of th dosius forbade all judicia lacts or legal process during this and the following week. In the Apostolical Constitution, the law is mentioned in the following words "In the Great Week, and the week following, let Servants rest from their labor, because the one is the time of our Lord's passion, and the other, of His glorious resurection, and Servants have need to be instructed now in these mysteries."

Procession on Palm-Sunday, at 12 o'clock. Palm-Sunday is so called from the ceremony of blessing branches of Palms, or some other tree, to be distributed among egree are from sixty to eighty cases reported, many of the faithful to carry in procession, in remembrance of what the Jewish people did, when Jesus Christ, six days before His passion, made His triumphant entry Into Jurusalem, riding on an ass colt, as has been foretold by the Prophet, and was received with joyful acclamations of the multitude, as well as those of his disciples.

On Wednesday, Thursday and Friday evenings, will b sung the Office, called Tenebra, and in the morning Mass at 10 o'clock, accampanied by various ceremonies. On Sunday, Monday, and Tuesday evenings, there will be the Stations of the Holy Cross, and Mass in the Morning

Let us then be attentive with all possible watchfulness, that the memory of these great mysteries may not pass in vain, and let our hearts be penetrated with devotion, so we may be capable to receive the admirable gifts, which will be plentifully conferred on those who shall be disposed to receive them.

Fure and safe, too much cannot be said in fatery to the production of this article, pressenting as it. its favor. Fore and safe, too much cannot be said in favor of the production of this article, possessing, as it does, rare medical qualities, and a beauty of flavor and delicacy of taste seldom, if ever, excelled by the best Sherry Wines of Europe. We are informed by Mr. Rattel as follows: T at he sets 2500 plants per acre, and the cultivation that one produce 50 bushels of corn per acre will produce two gallons of Wine per plant, or 5000 gallons of wine per a re, which at \$2 per gallsn, (the price that it really commands at one year old.) would amount to \$10 000. The whole expense including the cost of to \$10,000. The whole expense including the cost of plants, to the storing of the Wine in the cellar, will be less than \$3,500, making a plants, to the storing of the wine in the cerar, win class than \$3,500, making a net profit of \$6,500 per acre.
