In Pike, Bradford county, Pa., on the 20th of March, EDWARD CRANDALL. M. D., aged 57 years and 14 days.

Perhaps no man, in the ordinary walks of life, was more widely known in this and the neighboring counties, than Dr. Crandal. And he needed only to be known to be loved. He was born in Trumansburg, Tompkins Co., N.Y., and early exhibited an extroardinary degree of determination in the pursuit of his studies. Thirty eight years ago, at the very early age of 19, he commenced the practice of medicine in Luzerne county, in this state. Six years afterwards he removed to this county, where he has resided ever since. Having been compelled, by continued ill health, to give up the practice, he this winter, se-Tomato Catsup, Rapherry Vinegar, Hops, in bags or pillows, Together with Woolen Drawers and Socks, Towels, Together with Woolen Drawers and Socks, Towels, Together, with and Bandages, and any goad teading matter, such as Books. he felt himself growing ill, he started for home, feeling Grocery that it was his last sickness. He survived but nine days after reaching home.

His whole life was spent in studying how he could most benefit his fellow man. Remarkably successful in his profession. he always remembered the intimate relation of the health of the mind to that of the body, and considered that his task was but half done when he had alleviated physical pain. He was the skillful physician, the kind and gentle nurse, the thoughtful friend and ounsellor. The Church on earth has lost a consistent

and active member ; society is deprived of one of its classes in the Susquebanna Collegiate Institute, at greatest ornaments; the sick and suffering have met with owanda, at the close of the 26th term, (March, 1863.) an unspeakable loss: and he will long be remembered and mourned by all who knew him well.

The death of this young man deserves more than a passing notice. Having, by the exercise of a great de gree of energy and perseverance, acquired a superior edhindered a less determined will—he was engaged for a number of years as teacher of Mathematics in Harbart Hall Academy, Holland Patent, Oneda county, N.
