VULA AND SCROFULOUS COMPLAINTS, ERUPTIONS

Schoula and Schofulous Complaints, Eruptions and Eruptive Diseases, Ulcers, Pimples, Blotches, Tomors, Salt Rueum, Scald Head, Syphilles and Syphilles and Received Disease, Dropsy, Neuralgia of Tie Douloureex. Debility, Dyspersia and Indeed the whole class of complaints arising from England with the found a great promoter of sealth, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year By the timely expulsion of them many rankling disor ders are nipped in the bud. Multitudes can by the aid of this remedy, spare themselves from the endurance of toul cruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, cruptions, or sores; cleanse it when you find it is obstructed and slaggish in the veins; cleanse it whenever it is foul, and your feelings will tell you where Even where no particular disorder is felt. Totalind it is obstructed and singisis in the veins, cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or

lasting health. Sooner or later something must go wrong and the great machinery of life is disordered or overthrown.

Sarsaparilla has, and deserves much, the reputation, of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed jor it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or any thing else.

During late years the public have been misled by large pottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Mence, bitter and paintul disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescae the name from the load of obloquy which rests upoh it. And we think we have ground for believing it has virtues which are irresistable by the ordinary run of the diseases it is intended to crue. In order to secure their complete cradication from the system, the remedy should be judiciously taken according to directions on the bottle.

Prepared by Dr. J. C. AYER & Co., Lowell, Mass.—

Price, \$1 per Battle; Six Bottles for \$5.

AYER'S CHERRY PECTORAL has won for itself such a renown for the cure of every variety of Throat and Lung Complaint, that it is entirely unnecessary for us to recount the evidence of its virtues, wherever it has been employed. As it has long been in constant use throughout this section, we need not do more finan assure the people its quality is kept up to the best it ever has been, and that it may be relied on to do for their relief all it has ever been found to do. AYER'S CATHARTIC PILLS,

For the cure of Costiveness, Jaundice, Dyspepla, Indigestion, Dysentery, Foul Stomach, Erysipeias, Headache, Piles, Rheumatism, Eruptions and Skin Diseases, Liver Complaint, Dropsy, Tetter, Tumors and Salt Rheum, Worms, Gout, Neuralgia, as a Dinner Pill, and for purifying the Blood. They are sugar coated, so that the most sensitive can take them pleasantly, and they are the best aperient in the world for all the purposes of a family physic. Price 25 cents per Box; Five Boxes for \$1,09.

Great numbers of Ciergymen, Physicians Statesmen, and eminent personages, have lent their names to certify the unparalled usefulness of these remedies, but our space here will not permit the insertion of them. The Agents below named furnish gratis our AMERICAN ALMANAC in which thoy are given; with also full descriptions of the above complaints, and the treatment that should be followed for their cure.

Do not be put off by unprincipled dealers with other preparations they make more profit on. Demand Aven's and take no others. The sick want the best aid there is for them, and they should have it.
