NEURALGIA OR TIC DOULOUREUX. DEBILITY, DYSPEPSIA AND INDIGESTION, ERYSPIELAS, ROSE OR ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year By the timely expulsion of them many rankling disor ders are nipped in the bud. Multitudes can by the aid of this remedy, spare themselves from the endurance of toul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the latter that the construction requires Cleanse out the vitiated system will strive to rid itself of corruptions, it not as-sisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, cruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you find it is obstructed and suggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or

wrong, and the great machine, overthrown.

Sarsaparilla has, and deserves much, the reputation, of accomplishing these ends. But the world has been of accomplishing these ends. But the world has been of accomplishing these ends.

Sarsaparilla has, and deserves much, the reputation, of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed jor it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or any thing else.

During late years the public have been misled by large sottles, pratending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds apon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and paintul disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upoh it. And we think we have ground for believing it has virtues which are irresistable by the ordinary run of the diseases it is intended to crue. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on the bottle.

Prepared by Dr. J. C. AYER: & Co., Lowell, Mass.—

Price, \$1 per Bottle; Six Bottles for \$5.

AYER'S CHERRY PECTORAL has won for itself such a renown for the cure of every variety of Throat and Lung Complaint, that it is entirely nanecessary for us to recount the evidence of its virtues, wherever it has been employed. As it has long been in constant use throughout this section, we need not do more than assure the people its quality is kept up to the best it ever has been, and that it may be relied on to do for their reliefall it has ever been found to do.
