The following letter from Lieut. Col. TYLER, of the 141st regiment, will be read with interest by the numerous friends and relatives of the brave solders who have so gallantly fought under the banner of that regiment. No regiment has seen harder service. nor more bravely endured the baptism of blood. We trust , see the time when the history of the 141st shall be written by some well-informed and competent person. Mr. Editor. - A few days ago I made a report to su-perior Headquarters, giving a brief history of the 141st egiment, Pennsylvania Volunteers. Thinking that some of the items would be of some interest to your readers. who have followed the fortunes of this " little hand " I

I take the following extract from the official report Col. The missing I am sorry to say, I believe to among the killed and those wounded and left on the fiel I think there were very few, if any, of my men taken pri ners. REV. S. J. GIBSON, died in Sheshequin, on Sunday morning, the 13th inst, He had been for nearly twenty-five years a Universalist preacher. He was a zealous advocate of his faith, and a man of great ability as a preaence and respected him for his christian virtues. A friend writes of him "All words are idle" and empty. I know how useless they are. There is no consolation, except it be that a great sufferer is at rest; one that all his bitchine has suffered so intensely, and struggled so hard with a thankless world, for the pittance that kept home and the thankless world, for the pittance that kept home and the thankless world, for the pittance that kept home and the thankless world, for the pittance that kept home and the thankless world, for the pittance that kept home and the thankless world, for the pittance that kept home and the thankless world, for the pittance that kept home and the thankless world. In the lower counties of this State nearly all the sales of real estate are made through advertisements in a newspaper. It is not uncommon to see several columns of such advertisements in a paper. A person desirous of purchasing a farm, has only to turn to the columns of his county paper, and he finds there advertised just such a farm as he desires, as to acres, situation, &c.

DEATH OF LIEUT. N. J. CAMP.—We are pained to learn that this distinguished and gallant officer was killed by an accidental discharge of his own gun, Angust 4, 1864, near Atlanta. Lieut C. was the fifth son of Issac Camp, of Wyalusing, and was about thirty years of age.

The readers of the Reporaga will remember an interesting account published of the escape of Lieut. Camp, from the rebels. He visited this county after his escape, and finally rejoined his regiment, the 23d Missouri, and participated in Shermaa's movements in the South. In his death fell a genial, social, man, a brave officer, and a true patri t.

WHY DR. WISHART'S PINE TREE TAR CORDIAL,

Is the best Remedy for Throat and Lung Diseases.

It is the vital principal of the pine tree obtained by a peculiar process in the distillation of the tar, by which its highest medical properties are retained.

*** It is the only safe and reliable remedy which has

ever been prepared from the juce of the pine tree. It invegorates the digestive organs and restores

the appetite. It strengthens the debilitated system It purifies and enriches the blood, and expels from the system the corruption which scrofula breeds.

It dissolves the mucus or phlegm which stops the air passages to the lungs. Its healing principle acts open the irritated surfaces of the lungs and throat, penetrating to each diseased

READING, Pa , April 20, 1864 DR. WISHART-Dear Sir: I have been cured, as I be lieve, of Consumption, by the use of your PINE TREE TAR CORDIAL, and I was so very low, and had been sick so long when I commenced to use it, that I had but little confidence in anything. I had tried many of the

advertised medicines, as well as the prescriptions of many emminent physicians. My symptoms were a dry, hacking cough, which I had for several years, with night sweats and frequent, severe bleeding of the lungs. I was so very weak that I could attend to no business, and had pain almost constantly through my breast and shoulders. About four years ago my brother, who resides in Philadelphia told me he believed your medicine would cure me, and I commenced its use. I was aware that my disease had gone so far that I could not expect to be cured in a few days, but in a short time I felt much better, so much so that I was abe to attend to my business; and after continuing its use for several months, I recovered my health and

strength perfectly. I am convinced that this is not a mere transient relief but a complete and permanent cure, as I have been gradually growing stronger ever since, and I attribute it solely to your PINE TREE TAR CORDIAL, for I know solely to your PINE TREE TAR CORDIAL, NOT I KNOW that I must have gone to my grave years ago, if I had not used your great medicine. I would say to those who are similarly afflicted—especially in cases like mine, where the disease has run for a long time, that although one bottle will relieve, it will not effect a cure; but by persevering in its use, I believe it will restore you to health, if you are not beyond the power of medicine.

READ THE FOLEOWING FROM UTICA. Dr. Wishert—Dear Sir; I take pleasure in informing you through this source that your PINE TREE TAR CORDIAL, which was recommended for my daughter by Mr. J. A. Hall, of this city, has cured her of a cough of more than five months standing. I had thought her beyond cure, and had employed the best medical aid without any benefit. I can cheerfully recommend it to the public as a safe and sure remedy for those similarly afflicted as I know of many other cases beside that of my daughter that it has cured of long standing coughs.

The above are a few among the thousands which this great remedy has saved from an untimely grave. We have hundreds of letters from physicians and druggists in all parts of the country, saying that they have never

AYER'S AGUE CURE-For the speedy cure of latermitten Fever, or Fiver and Ague, Remittent Fever, Chill Fever, Dumb Ague, Periodical Headache or Bilious Vevers, indeed for the whole class of diseases originating in briliary derangement, caused by the Malaria of miasmatic countries.

The whole class of diseases originating in original rearrangement, caused by the Malaria of miasmatic countries.

Fever and Ague is not the only consequence of the miasmatic poison. A great variety of disorders arise from its irritation, in mai rious districts, among which are Neuralgia, Rheumatism, Gout, Headache, Blindness, Toothache, Earache, Catarra, Asthma, Palpitation, Painful Affection of the Spleen, Hystericks, Pain in the Bowels, Colic, Paralysis, and Derangement of the Stom ach, all of which, when originating in this cause put on the intermittent type, or become periodical. This Cure expels the poison from the blood, and thus cures them all alike. It is not only the most effectual remedy ever all discovered for this class of complaints, but it is the cheapest and morever is perfectly safe. No harm can arise from its use, and the patient when cured is left as healthy as if he had never had the disease. Can this be said of any other cure for Chills and Fever? It is true of this, and its importance to those afflicted with the complaint cannot be over estimated. So sure is it to cure the Fever and Ague, that it may be truthfully said to be do a certain remedy. One dealer complains that it is not a good mediciau to sell, because one bottle cures a whole neighborhood.

Prepared by J. C. Ayer & Co., Lowell, Mass. and sold by H. C. PORTER, Towanda, and by all dealers in medicine everywhere. At wholesale by Ogdon & Pottr, Elmira, N. Y.
