### TO THE FARMERS OF RRADFORD.

received from one of the most intelligent business men of the County, who amidst the cares of a wide spread and extensive the atmosphere of the building pure by business, yet finds time to devote to agri- ventilation. cultural pursuits. Its suggestions to the Farmers of Bradford come with more force tion of a letter intended only for our own at a time.

the invitation he proposes, is cordially and allow their cattle to roam in search of earnestly extended. We shall be most the stalks, thus uselessly exposing the anihappy in publishing the observation and mals instead of feeding them in the stable experience of the Farmers of the County; where they are sheltered from inclement weather. our columns are thrown wide open for their use. We shall not stint space for such a each day, and give them pure water in desirable purpose. The agricultural intertroughs. Meat and cooked Indian meal ests of the county are blended with its gen- will cause them to lay in winter. Clean eral prosperity, for this is emphatically an the henhouse at least once in two weeks and sprinkle charcoal through the building. Agricultural County. More than this the Compost the hen manure with muck or interests of individual farmers, are closely charcoal; it gives as good result as Peruidentified, and the experience of every in- vian Guano. Do not sell chicken manure telligent farmer of immense value to his to leather dressers for 25 cents per bushel; fellow farmers.

We know of no way by which the expe- quire next year, and procure them in searience of a farmer can be be made more department of a newspaper. The little la- resolve to keep one for 1865. Write up bor required to write what is necessary, tive profit of your crops. will pay better than any other work, by eliciting from others valuable observations, neighborhood, whose meetings may be held will pay better than any other work, by elicsuggestions, &c. Suppose our farmer friends at the houses of members. Each farm will try it. We know dozens of thrifty farmers throughout the county who might impart throughout the county who might impart to their less thrifty neighbors valuable instill be pruned. Save the cuttings as recformation. We tender for their use the omnended last month. Grafts may be cut, columns of the Reporter without limit:

Mr. Goodrich :- Dear Sir: - Your enlarged paper spring. or the first number of it came to hand last evening. It certainly is a credit to you and our county. Your enlarged number in which I am deeply interested, and of the greatest possible interest and value to tacks of borers. your readers in the county. It is second to nothing you can publish, except to sustain our Government and news from our armies. The lumbering interest in the county has become of little interest. We are now and must continue to be an Agricultural people, and soon will take high rank as such with our sister counties, and no space in your paper can be used to more advantage than to further the true interest of our farmers, who are the real bankers of the nation at this time. If you would arrange send you weekly, or as often as they could, their get full action in the spring. with a dozen or more of your farmer friends to experience in crops of all kinds or extracts from other papers, and devote three or four columns weekly to the interest of the farmer, you would vastly benefit the county. You can easily find those willing to assist you in that way who are competent to do so. The spirit and leading feature of county or any other paper should be a warm support of the Government and Union, next to this comes agriculture. Give a general invitation to all agricultural department. Offer to that class ample actual experience in all crops and cultivation.

## DECEMBER-WORK TO BE DONE.

Lowest prices, and guarantee everything sold of the BINGHAMTON COMMERCIAL COLLEGE The Course of Instruction embraces all the requisites of a thorough peactical business education, and has been lately extended by the introduction of an Actual Business Course, in which the Student engages in the routine of business transactions, exemplified and familiarized by means of a store, (in which the actual business of buying and selling goods is carried on by each Student), and Business Offices, viz: Banks of Issue and Deposit, Rail-Roading and Steam-Boating, Post Office Telegraph, &c., &c.

The Proprietor has spared no time or expense in making this Course the most thorough and complete of any ever presented to the public, and feels fully assured that after having been himself engaged in actual business, and having had many years' experience in teaching the Science of Accounts, and being aided by a full and efficient corps of teachers, he will be enabled to make thorough and successful graduates of all who may place themselves under his charge.

\*\*PENMANSHIP!\*\* The Course of Instruction embraces all the requis
