To Major-Gen. Dix : Secretary Seward emains without change. Frederick Seward's skull is fractured in two places, beside a severe cut upon the head. The attendant is still alive, but hopeless. Major ward's wounds not dangerous.

It is now ascertained with reasonable PARTICULARS OF THE INAUGURAcertainty that two assassins were engaged in the horrible crime, Wilkes Booth being the one that shot the President, and the other a companion of his, whose name is not known, but whose description is so Edwin M Stanton, Secretary of War, sent lear that he can hardly escape. It appears an official communication to the Hon. Anfrom a letter found in Booth's trunk that drew Johnson, Vice-President of the United the murder was planned before the 4th of States, stating that in consequence of the March, but fell through then because the sudden and unexpected death of the Chief accomplice backed out until "Richmond
