

Bradford Reporter.

LOCAL AND GENERAL.

PATRICK DOUGHERTY, a resident of North Towanda, died in the street near the Episcopal Church, on Friday last.

THE FIFTH ANNUAL PARTY will be given at the Holcomb House, LeRoy, on Independence Day. Music: Westgate, Loomis and Forest. Bill 88. Holcomb's parties are always well attended, because the attractions are not surpassed at any house in the country.

AN INDEPENDENCE PARTY will be given at the Valley House, Sheshquin, on the Fourth of July. The lovers of dancing and good cheer, will find everything on the occasion to make it agreeable.

WE are pained to learn that Russell McKimney, a highly esteemed young man of Litchfield, Pa., just returning to his dear home after an honorable service in the Union army, while bathing in the river at Elmira, on Monday last, was suddenly taken with cramp and immediately drowned. Brothers and other friends were with him, all anticipating the joy of a home meeting, but their bright anticipations were suddenly overclouded by this sad event.—*Weekly Advocate.*

BRADFORD CITY was visited by wholesale burglars on Wednesday evening last, robbing the store of J. W. HOLCOMB of about \$100 worth of goods, pillaging the drawers of J. D. ARMSTRONG of considerable small change, stealing money boxes and committing larceny of nearly everything they could find of value. A reward of \$100 is offered for their arrest and conviction.—*Weekly Advocate.*

THINGS OF LIGHTNING.—A week ago last Sunday, at Waymart, Mr. Ames was at church, as all citizens, good and bad, ought to be. He was sitting with his feet on the stove—a posture fashionable in America, but not according with the principles of refined breeding. The lightning flashed. It came down the road, to a few feet from the ground, where was a disconnection. Then it ran into the church and to the stove. It struck the back of Mr. Ames's feet, and the paragon of his legs, but did not so burn his feet or scorch him as he thought. His first sensation, however, led him to think both his feet had been cut off, and he had to feel of them, with his hands before he was convinced they were still on. *Weekly Advocate.*

INTERESTING SWORN PRESENTATION.—On the morning of the 22d of May, the boys of company C, 5th Regt. P. V. V., now living near Georgetown, D. C., presented their Captain, CHARLES FOWNS, with a beautiful sword, sash and belt, as a token of respect and esteem. The Captain has seen much active service since the breaking out of the rebellion. Has suffered starvation and ill treatment in the South while a prisoner in the hands of the enemy. His many acts of kindness, and good feeling toward the Company, has called forth love and esteem, and in expression of their feeling toward him, they presented him with the above named token of the same.

7-30 LOAN.—3d SERIES.—The First National Bank is now selling the Third Series of this very popular loan. It is due July 15th, 1865, and is sold in notes of the usual denominations.

| | |
|------|--------|
| \$20 | \$100 |
| \$50 | \$1000 |

Bearing interest at the rate of 2 cents per day on every \$1000. The Government reserves the right of paying the amount in gold at the rate of six per cent. per annum.

The notes will be dated July 15, and the interest will be paid to the purchaser in advance up to that time at the rate of SEVEN AND THREE-TENTHS PER CENT.

THIS is the last Loan the Government will make bearing so high a rate of interest, and as it will undoubtedly all be taken in a very short time, it becomes every one who has the money to secure the investment as soon as possible. Its freedom from state, county and town taxes; its perfect safety; and being exchangeable for the famous \$20 Bonds, make it, like the former Series, the most desirable loan offered by the Government.

2d.—This Bank, with its usual, render to investors every facility for taking the Loan. Any information in regard to it will be cheerfully given.

N. N. BETTS, JR., Cashier.

TOWANDA, May 22, 1865.

WANTED.—One million feet of pine, hemlock, oak, ash, beech, birch, maple and whitewood under the log, to be delivered at Wilkes-Barre during this summer and coming fall, for which a liberal price will be paid. Also, a large amount of white pine, to be delivered at Wilkes-Barre, during the same season. Address J. E. PATTERSON & Co., Clark's Green, Luzerne Co., Pa., until Aug. 1st, 1865, after which orders will be received at Wilkes-Barre, Pa. June 5-3m.

THE Bradford Baptist Association held its 26th annual meeting with the Columbia and West Baptist Church on the 7th and 8th of the present month. The attendance was large, including ministers from other Associations, and agents of various benevolent societies. The proceedings were of a very interesting character and made a good impression upon the community and the delegates. The preaching was done by Revs. Jas. Parker, of Milton, Pa.; O. Lincoln, of Elmira, N. Y.; P. Olney, of Horseheads, N. Y.; and S. S. Sheardown, of Troy, Pa. Good Resolutions in reference to the various benevolent institutions of the State and Country were passed. The following resolutions reported by a special committee on the state of the country, were passed unanimously:

Resolved, That the reestablishment of our national authority over revolted States, the vindication of our national honor and the triumph of freedom from the sacrifices and suffering of four years of terrible war—call for a full and entire expression of gratitude to God—who has made the wealth of nations to praise him, and who has sustained the remainder of wrath.

Resolved, That we excrete the spirit of slavery, which formerly vented itself in the abuse of slaves, and, during the war, has shown its enormity in the number of soldiers, both white and black, after suffering in the starvation and other real treatment of prisoners of war, and which has culminated in the assassination of our late chief magistrate—Abraham Lincoln.

Resolved, That we tender to our present President, Andrew Johnson, the expression of our confidence, and promise to remember him in our prayers and to support him in administering justice to the chiefs of the late rebellion, and in exterminating the last remnant of slavery from our land; recognizing the truth of his saying, that "liberty to an individual may be cruelty to a State."

Resolved, That the events of our national life, which show that God is on the side of equity; and that an essential criterion of the perpetuity of the American system of government is the government, is that the rights of all men be conceded and protected without respect to color.

Resolved, That a written copy of these Resolutions be immediately forwarded by the clerk of this Association to the President of the United States, and also the editors of the newspapers of this country.

FEBRUARY LEAF.—As the train on the Northern Central Railroad, passing north with the 50th N. Y. Engineer Corps, on Thursday evening, the 16th inst., when near Canton Depot, the train halted for a few minutes directly over the high bridge. A soldier on the train named J. B. WHITNEY, of Susquehanna county, supposing the train was at the Depot jumped from the car, and only reached the ground after descending some 70 feet perpendicular to the chasm below.

He was carried to the Hotel of R. WALKER, and strange to say no bones were broken and his physician thinks he will be around again in a few days.

MARRIED.—At the residence of the bride's father, John Shuler by Rev. Wm. M. DeLong, Mr. Dwight H. Dodge and Mrs. Ruth H. McCabe, daughter of E. H. Mason, M. D., of Towanda.

HOMIET—GORDON.—At Frenchtown, June 8th, by Rev. D. Craft, Mr. Joseph A. Homiet to Miss L. Adella Gordon.

DIED.—In Washington City, D. C., May 23, 1865, of Cholera Morbus, George Manning Vanduyke, eldest son of John and Eleeta Vanduyke, of Canton, in the 23rd year of his age.

Young Vanduyke received an appointment as Clerk in the Treasury Department at Washington two years ago, which position he filled with credit to himself and in such a manner as to endear himself to all his associates. The news of his death by telegraph was the first intimation his friends here had but that he was in perfect health, and we may well imagine with what crushing weight the news coming so unexpectedly fell upon his fond parents hearts. They had every apparent reason to expect for their son a long and useful life. When they last heard from him he was full of life and health, and ambitiously and energetically pushing along the high road to an honorable distinction in his profession. Next he was cold in death, and remains lying at the embalmers awaiting the orders of his parents. On the 25th his remains were escorted to the depot in Washington by his fellow clerks in a body, and on the 26th in charge of his Father, they arrived at his former home and were committed to their final resting place in the grave. The large concourse that attended his obsequies, testified the sympathy which our community felt with the heart stricken parents, and the esteem in which the deceased was held by his friends and acquaintances.

The following resolutions of condolence were passed by his associate clerks and transmitted to his parents here:

WASHINGTON, D. C., May 25th, 1865.

Whereas, He has pleased Almighty God to receive from our midst, in a very sudden manner, Mr. George Manning Vanduyke, a clerk in the office of Internal Revenue, therefore

Resolved, That we, his former associates in the same service, unite in expressing our high estimation of his character as a young man of much promise. His frankness, his manner and faithfulness in the discharge of his duties, won the esteem of all who knew him.

Resolved, That we unite in offering our heartfelt sympathy to his surviving relatives, upon whom this sudden bereavement must fall with crushing weight. We assure them that we feel with themselves, that this dispensation speaks to us with unusual force. Also to be ready, lest the Master calls for us at an hour we think not. Signed,

C. H. PARSONS, Cash. Int. Rev.
C. H. BAKER, and 22 others.

HINMAN.—In Monroeton, March 16th, 1865, Mr. John B. Hinman, in the 85th year of his age. He was born in Connecticut, and came to Wysox in 1792. He finally settled in Monroeton, where he remained during the remainder of his life. In his earlier years he was employed in matters which enabled him to know every man in the county; and it is said that there is but one person now living in the county, who was here when he came.

His christia life will long be remembered by a circle of numerous christian friends and acquaintances. He made a profession of religion in Wysox, under the labors of the Rev. Manassah Miner York. He became a member of the Presbyterian Church in Towanda when it was organized in 1825, and was then elected one of its ruling elders. And from that time till the infirmities of age prevented him, he served as ruling elder, first in the Church in Towanda, and then in the Church in Monroeton, after that had an organization separate from Towanda. Thus he was an office bearer in the church 40 years. His prompt and industrious habits of business, as well as divine grace, fitted him for promptness and efficiency in his duties as ruling elder. He was dismissed by his final rest in a good old age, and in the triumphs of the christian faith.

BUIST'S GARDEN SEEDS!

It is an established fact that a large proportion of the Garden Seeds sold in the country are worthless or nearly so. The reason is obvious. Seeds are left by the owners with merchants to be sold, and the remainder being returned, repacked and sent out again the following year, and so continuing until as a matter of course many of the seeds are worthless. In order to get the best and most reliable seeds I have bought a large stock of Robert Buist's Philadelphia, a house whose reputation for the quality and purity of seeds is not surpassed by any in the country; and who never send out any seeds on commission, and consequently not liable to inaccurate stock.

I think a little reflection will convince any one of the advantage of purchasing these seeds. I have many varieties not to be found anywhere else in town. Also Rutabaga, Beet and Carrot seed by the pound, and Peas by the bushel.

Please call and get a descriptive Catalogue at March 20, 1864. FOX'S.

BUIST'S GARDEN SEEDS!

It is an established fact that a large proportion of the Garden Seeds sold in the country are worthless or nearly so. The reason is obvious. Seeds are left by the owners with merchants to be sold, and the remainder being returned, repacked and sent out again the following year, and so continuing until as a matter of course many of the seeds are worthless. In order to get the best and most reliable seeds I have bought a large stock of Robert Buist's Philadelphia, a house whose reputation for the quality and purity of seeds is not surpassed by any in the country; and who never send out any seeds on commission, and consequently not liable to inaccurate stock.

I think a little reflection will convince any one of the advantage of purchasing these seeds. I have many varieties not to be found anywhere else in town. Also Rutabaga, Beet and Carrot seed by the pound, and Peas by the bushel.

Please call and get a descriptive Catalogue at March 20, 1864. FOX'S.
