THE ELECTION.

The official table of the election returns in this County, which we publish in another column, shows that a portion of the Republican voters of the County, failed to cast their suffrages for the nominee of the Union party for Senator, and voted for Elder Smear, the independent irregular candidate.

We know that the great majority of those who voted the Union State Ticket, but refused or neglected to vote for Mr. LANSON, are sincere and well-meaning Republicans, who would not be persuaded to cast a vote for a Copperhead, and who would not willingly do anything to damage the cause, or which would prove detrimental to the principles of the Union party.

It is believed that Mr. Goughly, the Union candidate in the Nineteenth district may be defeated by the voters' vote, which will give a Union majority of eight.
