Oct. 19, 1865.

Auditor. Administrator. Now invite the attention of the public to their opening

AYER'S AGUE CURE.

Auditor.

FOR THE SPEEDY CURE OF

FOR THE SPEEDY CURE OF

Intermittent Fever, or Fever and Ague. Remittent Sever,
Chill Fever, Dumb Ague. Periodical Headache or Bitious Headache, and Bitious Fevers, indeed for the whole
class of diseases originating in bitiary derangement,
caused by the Malaria of misamatic countries.

Fever and Ague is not the only consequence of the
misamatic poison. A great variety of disorders arise
from its irritation, in malarious districts, among which
are Neuralgia. Rheumatism, Gout, Headache, Blindness,
Toothache, Earache, Catarrh, Asthma, Palpitation,
Painful affection of the Spieen. Hysterics, Pain in the
Bowels, Colic, Paralysis, and Derangement of the Stomach, all of which, when originating in this cause put on
the intermittent type, or some periodical. This "Cure"
expels the poison from the blood, and thus cures them
all alike. It is not only the most effectual remedy ever
discovered for this class of complaints, but it is the
cheapest and moreover is perfectly safe. No harm can
arise from its use, and the patient when cured is left as
healthy as if he had never had the disease. Can this be
said of any other cerve for Chils and Fever? It is true
of this, and its importance to those afflicted with the
complaint cannot be over estimated. So sure is it to
cure the Fever and Ague, that it may be truthfully said coure the Fever and Ague, that it may be truthfully said to be a certain remedy. One dealer complains that it is not good medicine to sell, because one bottle cures a

whole neighborhood.
Prepared by J. C. Ayen & Co., Lowell, Mass., and sold by Dr. H. C. Porter, Towands, also by all druggists and dealers in medicine everywhere.
