INTERESTING TO FARMERS! From the various Agricultural prints, or other sources, most farmers have become aware of the vast superfority of the Goodrich Scelling Potations. They are univalled in their immense yield, exceedingly excellent for table use or for feeding stock, and free from rot, mildew or disease. Such well known qualities are merits that have won for the Goodrich Seedling Potatoes a better name than any other potato heretofore known. A limited supply can now be obtained by application at Dr. Porter's Drug Store, at the following rates:
