TOWNSEND.—In Torry, Yates county, at the resdence of her son, Mr. Manchester Townsend, on the 19th inst., Mrs. Hannah Townsend, wife of the late Hezekiah Townsend, aged 100 years, 1 month and 26 days.

Mrs. Townsend was a native of Sheshequin, Pa., where she was born in 1766, when the Thirteen Colonies were subject to Great Britain. In 1788 she came to this country with her husband, and settled near Milo Center, where she has lived most of the time since. She was married in Pennsylvania, and her eldest was born in the year of their LINENS & HOUSE FURNISHING GOODS emigration. Some time after this, she took this boy behind her on horseback, and went to visit her parents in Pa., and swam the Susquehanna river with her horse, and when she returned she brought a bag of flour before her, and again swam her horse across the same river. Her husband opened the first tavern ever kept in Western New York, and lived here in the days of Jemima Wilkinson's glory. She was ever respected and beloved by her neighbors and associates. Her descendants are quite numerous and respectable, never allowed herself to flinch from any duty, and never knew how to say ean't. What changes she has seen! When she came here the sheet and sheet and German Black Broadcloths, Doeskins, Fancy Cassimeres, Tweeds, Meltons, Satinetts, Union Cassimeres, Jeans, &c., &c. the head of Seneca Lake near Dresden in a canoe, and the Lake was then undisturbed by commerce -no roads in the country-a dense wilderness all over this now populous, rich and pleasant country. She was healthy to the last, and died from Flanels, flanels, and full assortment of Flanels. try. She was healthy to the last, and died from sheer old age, having her senses to the last, complained of no pain, but gradually sunk, and finally went out like a taper burnt to its socket. Her like will never be seen again among the females of this land. May her virtues be remembered, and her memory long cherished. - Dundee Record.

STALFORD.—At Wyalusing, March 30, Joel Stalford, aged 49 years and three months.
