THE CHENANGO CANAL EXTENSION AT OWEGO. -We are soon to have the Extension let on some LENT-TOWNER-At the M. E. Church, in Rome eight miles below this village. There are some consideration from persons but partially acquainhree years he has suffered from discuss, to this before those having charge of this Extension is to ted with canal making, which we desire to bring bave but a single feeder derived from a dam at Binghamton, and the whole forty miles are to be supplied from this one source. It seems to us that The communication sent us from supplied from this one source. It seems to us that Vyalusing, signed "A Voter," being without the this will never give water enough to render the came of the author, by our rules, is rejected. We nal of any value. The soil through which the "ditch" passes is eminently gravelly and in spite of all that can be done it will leak and leach an enormous amount of water; add to this the amount lost by lockage. To supply this loss it will require a stream running for the first ten miles from Binghamton at a rate of at least five miles an hour and for the next ten at, at least three miles. Against Gold, in New York, was selling on this current it seems to us that no canal boat could aturday, at 160--a rise of nearly 30 cents within make headway and that even with such a current in the first ten or twenty miles, lower sections of the canal will be too shallow for navigation. Those The Bradford County Teachers' As is to run know full well there is no stream between who know the locality thro' which this Extension tion met at Granville, Friday, June 8th, at Owego and Binghamton which in a very dry sea-Meeting called to order by the Presi-son will afford any water. What, then, would we nt. O. F. Young. Opened by reading and pray-recommend? There are but two locks or at most Minutes of last meeting read and finally ap- three, between Chenango Point and this village, oved. Committee on Business then made their and therefore it may be possible to fill, and keep port. The first resolution then read as follows: full, the canal from that to this, at the Big Island, two miles above this village it should debouche inaded to be pursued, every one should endeavor become well instructed in the principles of and all matters pertaining to, or connected with his seen occupation. Thus will be connected with his connection to the Susquehanna and by slack water navigation, proceed down to opposite Nichols & Bliss' mill, where a dam of a height of five feet should be connected with his connected with his connected with the connect where a dam of a height of five feet should be conccupation. Thus will art and skill in all structed. This would afford sufficient depth of water for the slack water navigation and secure an D. Hewitt, S. Taylor, and L. D. Taylor, and abundance for the supply of the canal, from that dopted Singing. Adjourned to meet at half ast one. ticulars correspond exactly with those expressed by many of our most intelligent citizens, and we d to order by President. Singing. The follow- most respectfully commend them to the consider-

ing charge of the Extension. - Owego Times. SPECIAL NOTICES.

Pensions Increased .-- I am now prepared PENSIONS INCREASED.—I am now prepared to get Pensions increased in the following cases, ency, followed by McKean, Chubbuck, and well. The resolution then laid on the table.

Enert resolution read as follows:

PRENSIONS INCREASED.—I am now prepared to get Pensions increased in the following cases, can be prepared to get Pensions increased in the following cases, or both hands, to \$25. To those who have lost both feet to \$20; and those who have lost one hand or one foot, or been totally disabled in the same to \$15. Depen-dent Fathers are also entitled to Pensions. All persons interested please call immediately on JOHN W. MIX, Towanda, Pa.
