reared is as follows :- Towards evening go to a strong stock and funigate it thoroughly, then remove the cap and honey-board, carefully draw one of the centre combs, as these generally contain the greatest amount of brood, and place it, with all the adhering bees, in an empty hive, and if there are anot enough bees clustered puon it to cover all the brood, shake more upon it from another frame. Place them in a dark cel. of a richer quality than that beets will make more milk than any other roots. Some persons acknowl-edge that carrots and parsnips produce milk of a richer quality than turning or beets lar, closing the entrance to prevent their crawling out, but at the same time giving where they will not be annoyed by the othfrom two to twenty, and then you are ready to make artificial swarms. B. M. Ballston, N. Y.

Ringbone in Horses.

During a residence of over fifteen years in the state of Wisconsin I have met with a great number of cases of what generally the larger towns where lots are small, the passes under the name of ringbone. Very many of those cases were not, strictly speaking, ringbone, but what are vermed in technical language, cases of *anchylosis*, eith-er of the superior or inferior pastern bones or joints. I have also met in my peregri-nations almost as many bipeds who pre-nations almost as many bipeds who pretend to cure such cases. Now let ns exampreducts helps a family along amazingly, ine a little into this matter and see what and when it is remembered that every laare the chances of such cure.

as not to admit of the slightest motion ta-king place between them, while in the latking place between them, while in the in-ter the motion is only diminished, not de-stroyed. Anchylosis in horses is not unfre-time to get rid of the miller for the summer. quently a consequence of wounds or bruis-es, which, causing violent inflamation of If you kill every worm in your own hives cartilage, and anchylosis is the result.

the way to humbug you out of your mo- strong colonies. ney, in making you believe he can cure

what is absolutely incurable. I ask you

BEETS FOR MILCH COWS .- Most dealers in milk who have been accustomed to feed De turnips, carrots, parsnips and potatoes to their milch cows to increase the flow of milk, P affirm that beets will make more milk than edge that carrots and parsnips produce milk of a r cher quality than turnips or beets, door while beets cannot be excelled for produ-style cing a bountiful flow of milk. The present an abundant ventilation, and providing is the time to begin to raise a crop. One- take them with water. On the evening of the third day of their removal from the old stock, take them from the cellar, placing vield several hundred bushels. Beets are vield several hundred bushels. Beets are day of the stock take them from the cellar, placing vield several hundred bushels. not so difficult to raise as carrots and tur- all er bees. In nine days more they will have a number of queen cells completed, varying out, the beets are not so liabel to be destroyed by insects as turnips are, and whereever ground will produce poor turnips, a good crop of beets can be growen, even Mill if the seed is not pat in till the first, and sometimes the tenth, of June .- N. Y. Triare the MO

bune.

THE FOOR MAN'S GARDEN,-In cities and PL occupants of them usually make every foot of ground, not occupied by buildings, availspeaking, ringbone, but what are termed, in able for the production of vegetables. This borer has a few unoccupied hours each Anchylosis is a stiff joint arising from week at his disposal, he must be held cul-Anchylosis is a still joint arising from the intimate union of those bones which form the joint. Anchylosis is distinguish-ed by true and false. In the former, the ling. So much for the city and town, but bones have grown together so completely what of the farms and farmers?--Rural

W the joint, occasions an absorption of the in- you will have no trouble with them unless the joint, occasions an absorption of the in-terarticular cartilage, and an ossification in the arteries which nourish the joint, by which means bones is generated in lieu of every morning, the bees will do their part and graw them from their combe, when if and gnaw them from their combs, when if Complete anchylosis of a joint renders it utterly and absolutely immovatle, and no mortal hand can restore it to its original state ; yet in the face of this fact, we find this way will avail you more than all the that almost every village and cross-roads "moth traps" ever invented. The miller contain some bright genius who has found

what is absolutely incurable. I ask you to set your face against such ignorance and barbarism. Can nothing, then, be done by science to help these cases of ringbone? The answer is, Yes, let every farmer be March 7, 66'.

Silks, Thread, Oil, Soap, Needles, Oil Cans, Needle Cases, and extras kept on hand at our : tore.	The Farmers Mutual Fire Insurance Company of Mid- dle Pennsylvania was incorporated by the Pennsylvania Legislature, in the year 1859, for the Mutual Insurance of Contry property only, and immediately thereafter commenced its operations on that principle, which has been strictly adhered to since. All losses have been promptly paid out of the Premi- ums collected on application for insurance without mak- ing any assessments. The Insurance of Country proper y only, the low rates charged for Insurance, and the prompt payment of losses are deemed a sufficient recommendation of the Farmers Mutual Fire Insurance Company of Middle Penns, Iva- nia, to all owners of safe class country property. P. Jonxson, Sec'y. W.K. PULMER, PRENN'A March 5, '66. MARD HOUSE, TOWANDA, PENN'A JOHN O. WARD Respectfully informs the public that he has purchased this well-known Hotel and taken possession of the same. The Ward House will be thoroughly repaired and re- formished, and no labor nor expense will be spared to give satisfaction to guests. The traveling public and persons visiting Towanda, are requested to continue the likeral patronage which the Ward House hit hero employed. Having had considerable experience in the business, he is confident that with a strong determination to please, and with strict attention to the House, he can satisfy the requir- ments of those stopping at the House. 20decd5-tf UNION CARRIAGE SHOP, AT ALBA, PENN'A. The undersigned respectfully informs the citizens of Western Bradford that he has commenced the Carriage and Wagon manufacturing basiness, how on the tarious branches in Alba borough, in the shop north of the	TWENTY-FIVE YEARS EXPERIENCE IN DENTISTRYJ. S. SMITH, M. D., would re- spectfully inform the inhabitants of Bradford County that he is permanantly located in Waverly, N.Y., where he has been in the practice of his profession for the past four years. He would say that from his long and sne- cessful practice of 25 years duration, he is familiar with all the different styles of work done in any and all Den- til establishments in city or country, and is better pre- pared than any other Dental operator in the vicinity to do work the best adapted to the many and different cases that present themselves oftentimes to the Dentist, as he understands the art of making his own artificial teeth, and has facilities for doing the same. To those requiring under sets of teeth he would call attention to his new kind of work which consists of porcelain for both plate and teeth, and forming a continuous gum. It is more durable, more natural in appearance, and much better adapted to the gum than any other kind of work. Those in need of the same are invited to call and exam- ine specimens. Teeth filled to last for years and oiter ' adapted with perfect salety, as over four hundred patients within the last four years can testify. T will be in Towanda from the 15th to 30th of every month, at the office of W. K. TAYLOR. (formerly oc- upied by Pr. O. H. Woodraft.) Having made arrange- ments with Mr. Taylor, I am prepared to do all work in the very best style, at his office. Nov. 27, 1865. MPORTANT TO DISCHARGED WOUN- ded Soldiers, Fathers, Mothers, Widows, Brothers and Siters, and Orphan children of deceased soldiers, and all persons that have claims against the United States, any of the Departments at Washington, can have the same promptly collected, by calling on Markers, Mo. Markers, Mo. Markers, Mo. Markers, Mo. Markers, Markers, Midows, Brothers and Siters, and Orphan children of deceased soldiers, and all persons that have claims against the United States, any of the Departments at Washi	 als, and in the most workmanlike manner. I invite the inection of the public to my work, which shall ne be surpased in durability, at any shop in the county, and my prices will be found to be as low as the times will admit.
